ACKNOWLEDGEMENT

I wish to express my sincere gratitude to my supervisor **Dr. S Vasantha**, Associate Professor, Department of Physics, Coimbatore Institute of Technology, Coimbatore with whose persistent help, continued drive and timely motivation, the present research has been made possible.

I also thank my Doctoral committee members **Dr. P. Narayanasamy**, Dean, College of Engineering, Anna University, Chennai and **Dr. A. Kannan**, Professor, Department of Information Science and Technology, Anna University, Chennai for providing valuable comments and suggestions during the progress of the present research.

I am grateful to **Dr. V. Selladurai**, Principal, Coimbatore Institute of Technology, Coimbatore for his support, encouragement and the facilities provided to complete the research.

In particular, it has been consistently beneficial to discuss research ideas with **Dr. M. Poongothai**, Assistant Professor, Department of Electrical and Communication Engineering, Coimbatore Institute of Technology, Coimbatore.

I thank the faculty and non-teaching staff members of the Department of Computing and Physics, Coimbatore Institute of Technology, Coimbatore for their valuable support throughout the course of my research work. I also thank my family members for their cooperation, especially my parents, husband and kids for their constant support during the course of the research. Finally, I thank GOD Almighty who has made all things possible.

ARUNA P
