ACKNOWLEDGMENT

It is my earnest pleasure, at the very outset, to acknowledge the support and thorough concern from the philosopher and guide, who initiated me into undertaking this work, my supervisor, Professor (Dr.) Amrita, Dean, Faculty of Arts & Languages; Chairperson, Department of English, B.P.S. Mahila Vishwavidyalya, Khanpur Kalan, Sonipat. I owe her the accomplishment of my overall personality and a refined way of looking at things and life itself. Her generosity, insight, and motivation helped me to complete the otherwise strenuous assignment, understanding the very roots of the topic and its ultimate fruition. The contemporary world of information technology kept me in touch with her valuable inputs all day long. The vast vistas of wisdom and knowledge were opened for me by her intellectual endeavour making me understand a critical sense of enquiry and the world at large.

My special thanks are due to Professor Asha Kadyan, Hon’ble Vice-Chancellor, B.P.S Mahila Vishwavidyalya, Khanpur Kalan, Sonipat, who has been a beacon of knowledge herself. Her keen sense to encourage qualitative research has been an impetus which has facilitated this arduous research.

I am thankful to the Librarian and Library Staff of Jawaharlal Nehru University, Panjab University and E.F.L.U Hyderabad, for facilitating the study material.

I have no words to express my heartfelt gratitude to the members of my family, particularly my father Sh. S.N. Singh, my mother Smt. Kamlesh and my brothers Aatish and Ankit for their consistent moral support and constant efforts in making enjoyable environment at home. Without their support this work was not possible.

My husband Vishal Goyat deserves deepest thanks for his companionship to make this tough journey easier. He did not let my heart away and endured my discontent during a challenging phase. I owe a great debt of gratitude to him for his continuous support and encouragement.

I wish to thank my father-in-law Sh. Suraj Bhan Goyat and my mother-in-law Smt. Anita Goyat and other friends and relatives whose inspiration made me strong to face the challenges.
