## Chapter I: Introduction

1.1 The issue
1.2 Poverty Literature so far
1.3 Latest work
1.4 Primary Surveys
1.5 Literature Recap
1.6 Moving Forward
1.7 Objective of the Study
1.8 Hypothesis
1.9 Data Particulars
1.10 Changes made to variables in the selected rounds to facilitate temporal comparison
1.11 State Codes for the 38th, 50th and the 61st Consumption Expenditure Rounds.
1.12 Calculating the Poverty lines for three new states, for the 38th and the 50th round:
1.13 NIC Recoding:
1.14 Scheme of Chapters

## Chapter II: Temporal Changes in Rural Poverty

2.1 Changes in Poverty: Aggregate
2.2 Changes in Poverty: Across Social groups, aggregate
2.3 Changes in Poverty: Across Household types, aggregate
2.4 Changes in Poverty: Across Land Holding classes, aggregate
2.5 Changes in Poverty: Across Education classes, aggregate
2.6 Changes in Poverty: Across Industrial Groups, aggregate
2.7 Changes in Poverty: Across Type of Occupation, aggregate
Temporal Changes in Urban Poverty

2.8 Changes in Poverty: Aggregate
2.9 Changes in Poverty: Across Social groups, aggregate
2.10 Changes in Poverty: Across Household types, aggregate
2.11 Changes in Poverty: Across Education classes, aggregate
2.12 Changes in Poverty: Across Industrial Groups, aggregate
2.13 Changes in Poverty: Across Type of Occupation, aggregate
2.14 Summary of the Results and their significance

Chapter III: Regression Analysis - Odds of being Poor given Caste and Ethnic Background and Changes in them Over Time

Section - 1: Logistic Regression
3.1 Odds of being poor given land ownership (Rural)
3.2 Odds of being poor given the Household type (Rural)
3.3 Odds of being poor given Household type (Urban)
3.4 Odds of being poor given Industry of occupation (Rural)
3.5 Odds of being poor given Industry of occupation (Urban)
3.6 Odds of being poor given Educational level (Rural)
3.7 Odds of being poor given Educational level (Urban)

Section - 2.a Log linear Regression – Logit, Rural
3.8 Education
3.9 Land
3.10 Household Type

Section - 2.b: Log linear Regression – Logit, Urban
3.11 Education
3.12 Household Type
3.13 Summary

Chapter IV: Poverty at Present, 2004/05: Across Socio-Economic Characteristics of Households (Rural/Urban)

4.1 Poverty and Land ownership - Rural
4.1.b Poverty and Land ownership - Urban
4.2 Poverty and Household Type - Rural
4.2.b Poverty and Household Type - Urban
Chapter V.a: Socio-Religious Analysis

5.1 Religious background of individuals belonging to the selected social groups - Rural

5.2 Poverty variations across socio-religious grouping – Rural

5.3 Poverty variations across socio-religious groups and land classes – Rural

5.4 Poverty variations across socio-religious groups and Household Type categories – Rural

5.5 Poverty variations across socio-religious groups and Education level categories – Rural

5.6 Poverty variations across socio-religious groups and Industry of occupation – Rural

5.7 Religious communities and Temporal changes in Poverty levels and rate of decline – Rural

5.8 Religious communities and Social groups - Temporal changes in Poverty levels and rate of decline – Rural

5.9 Religious background of individuals belonging to the selected social groups – Urban

5.10 Poverty variations across socio-religious grouping – Urban

5.11 Poverty variations across socio-religious groups and Household Types – Urban

5.12 Poverty variations across socio-religious groups and Education levels – Urban

5.13 Poverty Variations Across Socio-Religious Groups and Industry of Occupation – Urban

5.14 Religious communities and Temporal changes in Poverty levels and rate of decline – Urban

5.15 Religious communities and Social groups and Temporal changes in Poverty levels and rate of decline – Urban

5.16 Logistic Regression: Rural

5.17 Logit Analysis: Rural
5.18 Logistic Regression: Urban

5.19 Logit Analysis: Urban

Chapter V.b: Regional Dimension of Poverty Incidence Across Socio-Religious groups

5.20 Tribal Population (ST) – Rural
5.21 Caste Minorities (SC) – Rural
5.22 Other Backward Caste (OBC) – Rural
5.23 Tribal Population (ST) – Urban
5.24 Caste Minorities (SC) – Urban
5.25 Other Backward Caste (OBC) – Urban

Chapter VI: State Level Pattern of Poverty, Incidence and Concentration – Rural

6.1 Population distribution across states – Rural
6.2 Poverty – Distribution of the poor across states of India - Rural
6.3 Poverty Incidence across the States of India – Rural
6.4 Population distribution for social groups across states – Rural
6.5 Poverty – Distribution of the poor within social groups across states (Rural)
6.6 Poverty Incidence within Social Groups across states – Rural
6.7 Land ownership pattern across states - Rural
6.8 Education levels: Population distribution, across states – Rural
6.9 Household type: Population distribution across states – Rural

Chapter VII: State level pattern of Poverty, Incidence and Concentration – Urban

7.1 Population distribution across states – Urban
7.2 Poverty – Distribution of the poor across states of India – Urban
7.3 Poverty Incidence across states of India – Urban
7.4 Population distribution for social groups across states – Urban
7.5 Poverty – Distribution of the poor within social groups across states – Urban
7.6 Poverty Incidence within Social Groups across States – Urban
7.7 Education levels: Population distribution across states – Urban
7.8 Household Type: Population distribution across states – Urban
Chapter VIII: Regional Level Poverty Analysis, Rural

8.1 Poverty Incidence across NSSO region, Overall – Rural
8.2 Poverty Incidence for the ST across NSSO region – Rural
8.3 Poverty Incidence for the SC across NSSO region – Rural
8.4 Poverty Incidence for the OTH across NSSO region – Rural
8.5 Distribution of the poor across NSSO regions, OTH – Rural
8.6 Comparing poverty incidences across social groups for NSSO regions, Rural

Chapter IX: Regional Level Poverty Analysis, Urban

9.1 Poverty Incidence across NSSO region, Overall – Urban
9.2 Poverty Incidence for the ST across NSSO region – Urban
9.3 Poverty Incidence for the SC across NSSO region – Urban
9.4 Poverty Incidence for the OTH across NSSO region – Urban
9.5 Distribution of the poor across NSSO regions, OTH – Urban
9.6 Comparing poverty incidences across social groups for NSSO regions - Urban

Chapter X: Policy Analysis: Below Poverty Line Card Ownership of Households

10.1 Pattern of BPL card ownership: Rural
10.2 Pattern of BPL card ownership: Urban

Chapter XI: Conclusion

11.1 Who are the poor?
11.2 Where are the poor?
11.3 Why are they poor?
11.4 Evaluating a policy tool for social parity.

Table and Map Lists

Table 1.9.1 Variables Examined in each of the Three Rounds (1983, 1993/94, 2004/05) and their comparability 19
Table 1.11.1: NSSO State codes for the 30th, 50th and the 61st rounds 23
Table 1.11.2: Round wise breakup of Old States into New States 24
Table 1.12.1: Poverty line calculations for the 38th and the 50th round, Rural/Urban 24
Table: 2.10.a.2  Average Annual Rates For Poverty for the three periods, (Urban) 59
Table: 2.10.b.1 Poverty incidences across Household type & Social Groups & changes in incidence, (Urban) 61
Table: 2.10.b.2 Poverty Levels: Annual average rates of change – All India across Household Types (Urban) 61
Table: 2.11.1 Poverty Incidence across Education classes, and changes in Incidence over time, (Urban) 63
Table: 2.11.2 Average Annual Rates For Poverty for the three periods 63
Table: 2.11.a.1 Poverty Incidences across Education and Social Groups & changes in incidence overtime, (Urban) 65
Table: 2.12.1 Population distribution across Industry of occupation, (Urban) 66
Table: 2.12.a.1 Incidence of Poverty across Industrial categories & changes in incidence and annual rate overtime, (Urban) 67
Table: 2.12.b.1 Incidence of Poverty across Industrial categories and Social Groups, (Urban) 69
Table: 2.12.b.2 Incidence of Poverty across Industrial categories and Social Groups (Urban) – continued. 70
Table: 2.13.1 Poverty Incidences across Occupational Categories, (Urban) 70
Table: 2.13.a.1 Poverty Incidences across Occupational Categories and social groups, (Rural) 71
Table: 2.13.b.1 Poverty Incidences across Occupational Categories, (Urban) 72
Table: 2.13.c.1 Poverty Incidences across Occupational Categories and social groups and changes in incidence and rates, (Urban) 74
Table: 3.1.1 Land Owned, Rural (Indicative): Odds of being Poor Across Social groups given the Land Owned 95
Table: 3.2.1 House hold type, Rural (Indicative): The odd of being Poor across social groups given their house hold type 96
Table: 3.3.1 House hold type, Urban (Indicative): The odd of being Poor across social groups given their house hold type 97
Table: 3.4.1 Industry, Rural (Indicative): The odd of being Poor across social groups given their Industry of Occupation 97
Table: 3.5.1 Industry, Urban (Indicative): The odd of being Poor across social groups given their Industry of Occupation 98
Table: 3.6.1 Education, Rural (Indicative): Changes in the odds of being poor across social groups, given their educational level 100
Table: 3.7.1 Education, Urban (Indicative): Changes in the odds of being poor across social groups, given their educational background 100
Section – 2.a Log linear Regression – Logit, Rural

Table: 3.8.1 Odds across Education classes over time, Rural
Table: 3.8.2 Odds across Education & Social Groups, Overtime, Rural
Table: 3.9.1 Odds across Land holding Classes, Rural
Table: 3.9.2 Odds across Land holding & Social groups, overtime, Rural
Table: 3.10.1 Odds across Household Type
Table: 3.10.2 Odds across Household Type & Social groups, overtime, Rural.

Section – 2.b: Log linear Regression – Logit, Urban

Table: 3.11.1 Odds across Education Classes, Urban
Table: 3.11.2 Odds across Education class & Social Groups, overtime, Urban
