ACKNOWLEDGMENTS:

I express my deep gratitude to my research guide Dr. S. D. Zagade, not only for his consistent and intense efforts in bringing up my research work to shape ever since I joined, to this date but also for his being considerate and kind enough in encouraging me when I was entangled in my personal family problems and also when I was eclipsed by unforeseen situations.

Hon. Prof. M. N. Navale, Founder President and Hon. Dr. Mrs. Sunanda M. Navale, Founder Secretary of Sinhgad Technical Education Society Pune were constant source of energy with parental support and providing me best possible facilities during my research work, that all is beyond any word of gratitude. I am ever thankful to them.

A special thanks to Ms. Rachana M. Navale, Vice President (Admin.) and Mr. Rohit M. Navale Vice President (HR), Sinhgad Institutes.

My sincere thanks go without saying to Dr. E.B. Khedkar, Dean Faculty of Management, University of Pune, Director BCUD, University of Pune, Dr. B.V. Sangvikar, Head of the Department PUMBA, Dr. Rupali Jain, Head Research Centre, and Dr. Nilesh Gokhale, Director Sinhgad Institute of Management for their adequate support and cooperation in doing the formalities from time to time.

Dr. Parag Kalkar, Director Sinhgad Institute of Business Administration and Computer Application more than a colleague a real friend indeed who not only helped me but always stood behind me in all calamities and was like a live alarming bell to keep me awake and alert till the work came to the final shape. My thanks to him from the bottom of my heart.

I cannot forget all those helping hands and hearts who directly or indirectly played an important role in this achievement and hence I am very much thankful to Mrs. Vaishali Zagade ("Gurumauli"), Dr. Sachin Borgave, Dr. S. U. Gavade, Mr. Tushar Nivagune, Dr. Rajendra Takale, Dr.K.M. Kulkarni (Ex. Director, Directorate of Higher Education, Pune), Shri. Prakash Bachav (Administrative officer,
Directorate of Higher education, Pune), Dr. Daniel Penkar and last but not the least Ms. Seethalakshmi Krishnamoorthy.

My other friends, family members, relatives and well-wishers who whole heartedly helped and wished me for achieving the goal and not creating any hurdles.

For a married working woman shoudering family and job responsibilities simultaneously doing Ph.D. research work is next to impossible, without full support and cooperation from her family members which was unbeatable and unforgettable from my husband Dr. Tushar J. Deore, (ever busy spine surgeon) my sweet twins Aryan and Anaya, my father in law Dr. J. S. Deore and my mother in law Dr. Mrs. L. J. Deore. My reverential thanks to them.

I am grateful to my mother for ever encouraging words, her blessings and being source of energy. My acknowledgements will be incomplete without my deep reverences to my father Dr. D. N. Ratnalikar, a retired Prof. of Mathematics, more than that an unselfish friend and spirit behind me who motivated me for doing research in spite of all difficulties and backed me till this day, but for whom I would not have been what I am today.
