ACKNOWLEDGEMENT

At the outset, I thank the almighty for having extended his choicest blessings by providing all the required resources, an able and amicable doctoral guide, good environment and a set of affable persons, to carry out this research work successfully.

I am grateful to Dr. Smt. K. R. Seetha Lakshmi, Principal, Quaid-E-Millath Govt. College for Women, Chennai, for their valuable support in the completion of this research.

I would like to express my gratefulness and sincere thanks to my supervisor Dr. Mrs. K. Nirmala, Associate Professor, PG and Research Department of Computer Science, Quaid-E-Millath Govt. College for Women, Chennai, for continuous support, patience, useful comments, remarks, motivation, enthusiasm, encouragement and immense knowledge for the successful guidance of my Ph.D. research work.

I express my sincere thanks to Dr. Mrs. Ananthi Sheshasaayee, Head of the Department, PG and Research Department of Computer Science, Quaid-E-Millath Govt. College for Women, Chennai, for giving me an opportunity and support throughout the period of my research study and for her able assistance in completing this research work successfully.

I would like to acknowledge with much appreciation to my doctoral committee member Dr. Mrs. R. Radha, Associate Professor, PG and Research Department of Computer Science, SNDB Vaishnav College for Women, Chennai, for her continuous motivation and support. I would also extend my thanks to the staff members and all research scholars of PG and Research Department of Computer Science, Quaid-E-Millath Govt. College for Women, Chennai, for their valuable thoughts, help and support rendered during the period of research work.

Apart from the effort of my work, the success of my work depends largely on the encouragement and guidance of many others.
I am grateful to Smt. Shyamala Jayaprakash, General Secretary, Asan Memorial Association, Chennai, for her blessings and nobility. I also thank all the members of the management committee of the college.

I would also like to thank Dr. S. Ramanathan, Principal, Asan Memorial College of Arts & Science, Chennai and Dr. Mrs. T. S. Santhi, Director, Asan Institute of Management, Chennai, for the sustained support during the course of study. I express my sincere thanks to Mr. K. Iyyanar, Assistant Professor (Statistics) in MBA Department, Asan Institute of Management, Chennai, for helping me in analysing the statistical data. I thank all my department colleagues for their constant encouragement and support.

Finally and most importantly, I would like to thank my beloved parents, my wife and my children for supporting, encouraging and cheering me up and stood with me throughout the good and bad times to peruse this doctoral degree.
