ACKNOWLEDGEMENT

First and foremost let me express my deepest gratitude to my dear Lord, the Almighty for showering His immense grace and blessings upon me for completing this work.

My heartfelt gratitude is expressed to The Honorable Chancellor, Dr. P.R. Krishnakumar, Vice Chancellor, Dr. Premavathy Vijayan, The Registrar, Dr. A. Venmathi i/c, The Dean, Faculty of Science, Dr. A. Parvathi for all the support rendered by them throughout the period of my research.

With immense pleasure I express my deep sense of gratitude, indebtedness and respect to my guide and supervisor, Dr. N.S. Rohini, Professor and Head, Department of Psychology, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, who enlightened me and encouraged me throughout the course of the study. With persistence and patience, she encouraged and valued my ideas and interests and enriched me with insightful suggestions which evolved into creative outcomes. She was always approachable and democratic in discussions and exchange of ideas. With immense pleasure I would like to say that my association and studentship with her will be fondly remembered throughout my life.

I express my deep gratitude and indebtedness to Dr. A. Velayudhan, Professor and Head, Department of Psychology, Bharathiar University, Coimbatore and Dr. S. Subramanian, Retired Professor and Head, Department of Psychology, Bharathiar University, Coimbatore for their immense support and encouragement to complete my research.

I am extremely grateful and indebted to Dr. Gayathri Devi, Associate Professor, Department of Psychology, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, who found time to bring thoughts and suggestions that enlightened my study.

I extend my sincere gratitude to Dr. P.R. Padma, Professor and Head, Department of Biochemistry, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, who gave me strength and support during various times of my research.
I am deeply indebted and grateful to Dr. P.T. Sasi, Clinical Psychologist, Thrissur and Mr. Mytri Samagata, Director, Innervision Counselling Centre, Thrissur for giving me an opportunity and necessary guidance to carry out my research. I extend my word of thanks to All the Staff members of Innervision counselling Centre, Thrissur for supporting me during the study. I am also thankful to all the Participants who showed their willingness to participate in my study.

I am thankful to All Staff members and Research scholars in The Department of Psychology, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, who gave me care and support during my research.

I extend my sincere and special thanks to my dear friend Mrs. Shahida for her great encouragement and support which led me to do my research.

A word of thanks with great pleasure, from the deepest of my heart to my family, friends and relatives who led me with immense love, care and blessings.

Priyadarsini A.C.
