ACKNOWLEDGEMENT

It is my honor and pleasure to express my gratitude to all those who supported and encouraged throughout my life to reach this position.

First of all, I express my profound gratitude and sincere, heartfelt thanks to my Supervisor, Dr. S. Ramasamy, Professor and Head, Department of Geology, University of Madras, Chennai, for his valuable guidance, remarkable patience and perpetual involvement throughout the period of this study. I also express my thanks to him for his critical review of my thesis and priceless suggestions.

I express my earnest thanks to the Doctoral Committee Member Dr. R. Sivakumar, Associate Professor and Head of the Department of Geology, Presidency College, Chennai, and to Dr. S. P. Mohan, Professor and Former Head of Department, and Dr. V. Rammohan, Professor, former faculty, Department of Geology, University of Madras, Chennai for their constant support.

I am grateful to Dr. S. M. Hussain, Associate Professor, Dr M. Suresh Gandhi Assistant Professor and Dr. P. Saravanan, Assistant Professor Department of Geology, University of Madras, for their constant encouragement during this work.

I am extremely grateful to Dr. R. R. Krishnamurthy, Professor and Head, Department of Applied Geology, University of Madras, Chennai, for his support in various capacities during my academic period.

I am highly obliged to Dr. M. Jayaparakash, Associate professor, Department of Applied Geology, University of Madras, Chennai, for his help in the geochemical studies.

I express my deep sense of gratitude to Dr. N. Rajeshwara Rao, and Dr. S. G. D. Sridhar, Associate Professors, Department of Applied Geology, University of Madras, Chennai, for their support during my academic sojourn.

I express my gratitude to Dr. S. Srinivasalu, Professor, Department of Geology, Anna University, Chennai, for his valuable suggestions.

I thank Dr. S. Krishnakumar, UGC Kothari Post-Doctoral Fellow, Department of Geology, University of Madras for useful discussions during the course of my study.
I thank Dr. N.S. Magesh and Dr. V. Gopal, Dr. A. Ramachandran, UGC Post Doctoral Fellow, and Mr. K. Arumgamon, Department of Geology, Anna University, Chennai, who lent unstinted support.

I would like to thank my friends and seniors, Mr. D. Bernard, Assistant Geologist Department of Geology and Mining, Govt of T.N, Mr. M. Lingavel, DSM Soft Pvt Ltd, Dr. P. Ganesan, Geologist, Geolog International, Dr. K. Kasilingam, Dr. P. Loganathan, and Dr. K. Ealumalai, for their unwavering love and unstinted support.

I thank my colleagues, Mr. P. Parthasarathy, Mr. S Narayanan, Mr. G. Jeyabal, Mr. C. Sureshkumar, Assistant Geologist, PWD Tamil Nadu, Mr. P. Govindharaj, Mrs. Namitha Mary Varghese, Mr. A. Ramamoorthy, Mr. Mhabemo Odyo, Mr. R. Subin Prakash, and Mr. K. Suresh Kumar Research Scholars, Department of Geology, University of Madras, for their help and support extended to me throughout my career here.

I thank my friends Mr. T. Maheswaran, Scientist at NCSM, Chennai and Mr. A. Jeyaseelan, Research Scholar, Department of Geology, University of Madras, for various help and assistance.

My special thanks go to my friends Dr. T. Arumugam, Mr. N. Suresh, Mr. K. Venkatesan, Mrs. K. Jisha, Ms. Shubangi T Fulmali, Mr. Raja, Mr. Muhammad Nishanth Mr. G. A. Manikanand, and Mr. A. Rajkumar for their help.

I thank my friends Dr. R. Kalaivanan, Dr. S. Muthusamy, Dr. K. Baskar, Mr. S. Maniyarasam, Mr. R. Pasupathi, Mr. S. Anbalagan, Dr. K. Kamatchi, Guest Lecturer, Mr. J. Kishore Ananth, Guest Lecturer, Mr. U. Sangunathan, Mr. A Shanmuga Sundaram, Mr. S. Netaji, and Ms. Kuleen Elizabeth Casey Research Scholars, and to Dr. G. Kalpana, Post Doctoral fellow, Department of Applied Geology, University of Madras, for various help I received during my Ph.D.

My sincere thanks to all Research Scholars, M.Phil, scholars and M.Sc. Students, Department of Geology, University of Madras, for their willing support and making my days more pleasant in the department.
I also thank all my relatives, Tekur, Avadhanam, Nedunuru, Janga and Madhyapati Family members for their constant encouragement and moral support. I remember my beloved grandparents at this juncture for their prayers and endless blessings on me.

I gratefully acknowledge the financial assistance received under UGC-CPEPA program (Mangrove Ecology-Earth Sciences)- UGC-CPEPA PROJECT NO: F.No:8-2/208 (NS/PE) dt.21.12.2011 as Project Fellow under the scheme throughout my Ph.D career. I also thank the Co-ordinator of the UGC-CPEPA, Prof. S.Ramasamy, Head, Department of Geology, and Prof.R.Jaganathan, Dy. Coordinator, Head, Department of Geography for their encouragement and support.

I remember on this occasion the help rendered by the authorities of the Central Institute of Brackish water Aquaculture (CIBA), National Center for Earth Science Studies (NCESS), Birbal Sahni Institute of Paleobotany (BSIP), and Dr C.M Nautiyal, Scientist in-Charge of 14C Laboratory, (BSIP) Lucknow for 14C dating of few samples.

Finally I graciously remember and thank the authorities of the University of Madras for administrative and other supports for completion of this piece of research work.

Last but not the least, my utmost dedication goes to my loving and caring parents, sisters, brothers, and Tazudali, Perumbakkam, Kunnam and Parikkalpattu village well-wishers for their abundant love and unconditional support throughout my life.

Above all, I am thankful to God the Almighty for blessing a gracious atmosphere and health, which helped me to complete this research work successfully.

Thanks forever

(S.Muralidharan)
