Acknowledgement

In presenting this thesis entitled ‘Study of Biodiversity Status of Some Important Heritage Sites in West Bengal - A Museological Study’, I express my most humble and warmest gratitude and regards to my Supervisor, Prof. Sachindra Nath Bhattacharya, Professor, Department of Museology, University of Calcutta. He has been a source of constant encouragement and guidance since initiation of this project. My deepest regret is the untimely passing away of my Associate Supervisor, Late Dr. Kumud Ranjan Naskar, National Fellow, ICAR & Principal Scientist, Central Inland Fisheries Research Institute, Salt Lake. I was deprived of his guidance and suggestions during the final stage of my work but his divine presence and heavenly blessings have been a constant source of inspiration in every part of my work. I shall forever remain indebted to you Sir.

I would like to thank the University Grants Commission, New Delhi for granting me the Junior Research Fellowship followed by Senior Research Fellowship for carrying out my research work.

I am thankful to the Authorities of Victoria Memorial Hall, Kolkata namely Prof. Chitta Panda, Former Secretary & Curator and Prof. Swapan Chakraborty, Former Secretary & Curator for permitting me to conduct my surveys and helping me with data and sample collections. Special thanks goes out to Shri Shakil Ahmed- Administrative Officer, Shri Abhijit Bhawal- Assistant Conservator and Smt. Piyashi Bharasha, Ex-Education Officer of Victoria Memorial Hall, Kolkata for their valuable help and permission in providing data for my work. I extend my thanks to Shri Dipak Roy, Caretaker, Victoria Memorial Hall Garden for helping me to gather data for my Field work in the Garden of Victoria Memorial Hall and Promod da and Subrata da for helping me in collection of water and soil samples from different zones of the Garden.

I am grateful to Shri T.J. Baidya, Ex- Superintending Archaeologist, Archaeological Survey Of India, Kolkata Circle for granting me the permission to carry out my Field works at the temples of Bishnupur, Bankura district. I am thankful to Shri Gautam Sengupta, Director General, Archaeological Survey Of India for granting me his kind permission to conduct my field surveys in Taj Mahal, Agra. Special mention may be made of Shri Srimani for providing me with the photographs of earlier damaged conditions of temples of Bishnupur. Thanks are also due to Shri Sambhu Mondal and P.K.Nayak for their valuable assistance in providing me with the Visitor data in relation to Bishnupur and casual staff of Archaeological Survey Of India who assisted me in my field work in the temples of Bishnupur.
I would like to express my gratitude towards all authorities of the Department of
Forests, Government of West Bengal for permitting me to conduct my surveys in the
remote areas of Sundarbans. Special thanks to Dr. Atanu Kumar Raha (IFS- Ex-PCCF,
Department of Forests), Shri Pradip Vyas (Ex-Field Director, Sundarbans Tiger
Reserve), Shri Subhendu Bandopadhyay (Ex-Divisional Forest Officer, South 24-Pgs),
Smt. Lipika Banerjee (Ex-Divisional Forest Officer, South 24-Pgs), Shri Anjan Guha (Ex-
Assistant Field Director, Sundarbans Tiger Reserve), Shri Gautam Chatterjee (Ex-
Divisional Forest Officer, Publicity Division) and Smt Richa Dwivedi (Ex-Field Director,
Sundarbans Tiger Reserve) for their immense support in helping me with data
collection from the hostile terrain of Sundarbans.

I appreciate the help extended to me by authorities of West Bengal Pollution
Control Board in carrying out the analytical part of my research, i.e. Soil and water and
the Chairman for his kind permission.

I am grateful to the authorities of Botanical Survey of India, Kolkata for helping
me with the identification of Lichen samples collected from various areas of my study.

Special thanks are due to Dr. Suchitra Ghosh, Ex- Professor of Bangabashi
College and Shri N.N. Chatterjea for assisting me in my field work and helping with the
floral and faunal identification part. My sincere thanks go out to Shri Trideb Das of
Calcutta University Technological Campus, Salt Lake for helping me with the
analytical part of my study using Scanning Electron Microscopy.

My sincere thanks are due to the Directors, Curators, Keeper, Officers and staff
of all Institutions and Libraries I have visited, worked and collected my data for
preparing my thesis.

I express my regards to all my teachers of the Department of Museology. I also
extend my thanks to all staff of my department who provided moral and practical
support as well as technical assistance. Thanks are due to my Fellow colleagues for
their help and support.

I shall be failing in my duties, if I do not convey my thanks to the authorities of
my present Institute- Bose Institute, Kolkata for their constant support and
encouragement towards completion and submission of my research work.

Regards are due to my mother and in-laws for their moral support, blessings
and encouragement. Finally, I convey my gratitude to my husband for his kind support,
suggestion and active cooperation in completing my work.
