ACKNOWLEDGEMENTS

It is my proud privilege to work under Prof. Dr. M.C. Dash, Ph.D. (Calgary), F.N.A.Sc., School of Life Science, Sambalpur University whose valuable guidance, suggestions and encouragements throughout the period of study have made it possible for me to complete the present work systematically and I wish to accord my profound and heart-felt gratitude to him.

I also express my sincere gratitude to Sri S.K. Mohanty, Deputy Director of Fisheries (Brackishwater), Department of Fishereis, Orissa, Cuttack for his initial inspiration for scientific study in the Brackishwater sector right from 1978-79, valuable suggestions, guidance, assistance in providing local physical facilities to conduct field studies in the confined Prawn Culture Ponds at Binchanapalli Cluster in the Chilka fringe area throughout the course of investigation and critical review of the manuscript.

I express my deep sense of gratitude to Dr. (Mrs). T. Rajyalakshmi, Ex-Director of the Central Institute of Brackishwater Aquaculture (CIBA), Madras for her inspiration, and valuable guidance, during this work.

I also express my gratitude to Dr. V.R.P. Sinha, Ex-Director and Dr. S.D. Tripathy, present Director of the Central Institute of Freshwater Aquaculture, (CIFA), Kausalyaganga for providing me laboratory facilities of the Institute for carrying out various analysis work pertaining to this study and Dr. S.N. Mohanty, Scientist, CIFA, Kausalyaganga for his timely help in biochemical analysis work.

I owe my indebtedness to Sri M.M. Mohanty, I.A.S., Ex-Director of Fisheries, Orissa, Sri J.C. Patra, Ex-Joint Director of Fishereis, Orissa, Sri N. Panda, Ex-Deputy Director of Fisheries, Orissa, for giving me scope to work in the Brackishwater sector in the beginning of my service, Sri L. Kindo, I.A.S. and Sri P. Mohapatra, Ex-Director of Fisheries, Orissa, Cuttack for granting official permission to take up this work for a Doctoral Degree and Sri S.K. Sengupta, present Director of Fisheries, Orissa, Cuttack for his encouragement and interest for completion of the work.

I am grateful to Sri B.Das, Ex-Deputy Director of Fisheries (Brackishwater) for his inspiration and encouragement to carry out the work sincerely during my tenure in the Brackishwater sector.

I am also grateful to Sri H.S. Badapanda, Sri U.R. Das, Deputy Directors of Fisheries of the Department of Fisheries, Orissa, Cuttack for their various help and encouragement during the course of investigations.

I am deeply indebted to my colleagues, Sri S.N. Moharana and Sri H.K. Mitra for their untiring help in my field and laboratory work.

I am also deeply indebted to my colleagues Dr. K.K. Samal, Sri Sukanta Kishor Mohanty, Sri A. Swain, Sri N. Behera, Sri B.M. Mishra, Sri Debendra Mohapatra for their co-operation and help in many ways.

I must be thankful to Sri Madhab Jena, Sri F.C. Mohanty, and Miss Gopika Behera for their sincere help in typing and graphic works.

I accord my gratitude to Sri Jagar Singh, I.A.S., Ex-Colecctor, Phulbani and Chairman, FFDA, Phulbani and Sri S. Srinivasan, I.A.S., present Collector and Chairman, FFDA, Phulbani for their encouragement and interest in this work.

I also accord my gratitude to Sri A.N. Patnaik, Ex-Project Officer, DRDA, Phulbani and Sri R.B. Nayak present Project Officer, DRDA, Phulbani for their encouragement.

I express my heart-felt gratitude to my respected teacher in College career Dr. Umesh Chandra Patra, Reader in Zoology, Government College, Phulbani for his inspiration and encouragement for the work.

I wish to express my sincere feelings of love and affection to all my sisters and brothers, especially to Lulu, Sudha, Kunu, Pila, Bapo and Mrs. Sailabala Mohanty for their constant inspiration and co-operation in the work.

I accord my appreciation and gratitude to my friend Mr. Ansari and Miss Smita, Central Institute of Fisheries Education (ICAR), Bombay and Mr. Naidu, Cuttack for their help in photography.

Lastly, the services rendered by M/s Tripathy Xerox, Cuttack for laser-typsetting of the manuscript in the shortest possible time are acknowledged with deep sense of gratitude.

(Prabhat Nalini Patnaik)
