Abstract vi

List of Tables x

List of Figures xi

1 Introduction 1

1.1 Background ................................................. 1
1.2 Motivation for this research .............................. 4
1.3 Research questions and objectives ...................... 6
1.4 Significance and contribution of the study ............ 7
1.5 Organization of dissertation ............................ 8
1.6 Chapter summary ......................................... 9

2 Literature Review 10

2.1 Introduction .............................................. 10
2.2 Knowledge management (KM) ............................. 10
  2.2.1 Concept of knowledge ................................ 11
  2.2.2 Classification of knowledge .......................... 13
  2.2.3 Knowledge management (KM) ....................... 17
2.3 Agriculture sector in India .............................. 19
  2.3.1 Difference between Indian agriculture and Western agriculture ........................................ 21
  2.3.2 Public, private, and NGOs in Indian agricultural extension ................... 22
  2.3.3 Agriculture knowledge management (AKM) ........ 22
2.4 ICT in Indian agriculture .................................. 24
3 A Theoretical Framework for Agriculture Knowledge Management Process

3.1 Introduction

3.2 Knowledge management (KM) models

3.2.1 Review of related studies of KM models in Indian organizations

3.2.2 Lesson learned from the review of KM models

3.3 Need of KM in Indian agricultural organizations

3.4 Methodology used for developing framework

3.4.1 Case study

3.4.2 Case selection

3.4.3 Data collection

3.4.4 Findings, analysis and discussion

3.5 Proposed theoretical framework of AKM process

3.5.1 Knowledge acquiring and creating (KAC)

3.5.2 Knowledge organizing and storing (KOS)

3.5.3 Knowledge sharing and disseminating (KSD)

3.5.4 Knowledge applying (KAP)

3.6 Chapter summary

4 Metrics for measuring AKM performance in agricultural organizations

4.1 Introduction

4.2 Literature review

4.3 Developing metrics for AKM performance measurement

4.4 Chapter summary

5 Linkage between ICT and AKM Process

5.1 Introduction

5.2 Research framework and hypothesis development

5.2.1 Agriculture knowledge management process (AKM process)

5.2.2 Information and Communication Technology (ICT)
