Acknowledgements

This thesis could not have been accomplished without the help from a number of people who I am most grateful to. First and foremost I would like to thank God for giving me this healthy and beautiful life.

I would sincerely like to thank my Guide Dr. Kinnari Mistry (Associate Professor, Department of Integrated Biotechnology, ARIBAS) for giving me the opportunity to pursue Ph.D. under her guidance. I would also like to thank her for her excellent co-operation and constant support throughout my research work.

I am grateful to Charotar Vidya Mandal (CVM) and SICART for providing me a platform to carry out my scientific research, Dr. Nilanjan Roy (Director, ARIBAS) for providing a fully-fledged laboratory; for appreciation, guidance and constant support.

It is my pleasure to acknowledge CSIR-UGC, Delhi for providing financial support in the form of fellowship and contingency to carry out my research work.

I am grateful to Dr. Haritha Chiramana, Medical Oncology Consultant, Cancer Department and her staff at Manibhai Shivabhai Patel Cancer Centre, Shree Krishna Hospital, Karamsad, Anand, Gujarat for providing blood samples along with clinical history for our research work. I would also like to acknowledge Human Research Ethics Committee, P.S. Medical College, Karamsad for providing ethical approval for my research work.

I am indebted to Dr. Dharamshi N. Rank, Department of Animal Breeding and Genetics, Anand Agriculture University, Anand, Gujarat and Dr. Chaitanya Joshi, Department of Animal Biotechnology, Anand Agriculture University, Anand, Gujarat for giving me opportunity to work and for providing me research facilities at their department.

Sincere thanks to Mr. Sanjay Lal and Mrs. Nisha Daxini for helping and supporting me in work. I would like to thank my colleagues Dr. Brijesh Dabhi, Bhoomi Joshi, Nutan Badgujar,
Mansi Desai, Meeral Ladani, Yashwant Khimsurakhiya, Milli Neilwal, Jainik Patel, Tejas Gohil, Ramesh Pandit, Yati Vaidya, Reena Patel, Maulik Patel, Mukesh Rajgor, Shefali Macwan and Sonu for guidance and support during my research work.

I would like to thank Ronak bhai, Krunal Bhai, Mrs. Preety, Mrs. Javanika, Ms. Manisha, Sohilbhai, Sameerbhai, Jaydeepbhai, Alpeshbhai for being helpful at all times.

Lastly, I offer my regards and special thanks to my strength and lifeline my husband Parvinder Singh, my parents and my family who had believe in me and were always there with me during the entire journey of this Ph.D. life.
