ACKNOWLEDGEMENT

With immense pleasure, I express my sincere and humble gratitude to my esteemed guide Dr. Prasant Kumar Sahoo, Professor of Finance and Head of the Department of Business Administration, Utkal University, Bhubaneswar for his guidance, advice, constant encouragement, invaluable discussion and immense help for the satisfactory accomplishment of this pursuit.

I am extremely grateful to the Faculty Members and authorities of Utkal University for their valuable counsel and comments in the preparation and having permitted me to present this thesis.

I express my deep gratitude and honest regards to Dr. Priti Ranjan Hathy, Department of Computer Application, Women's Polytechnic Bhubaneswar, for his kind cooperation and inspiration throughout this thesis preparation. His inspiring assistance, ironic reciprocation and affectionate care prompted me to complete my work and prepare the work smoothly and successfully.

My deep feelings of appreciation for all my family members, especially for my wife Shradhanjali and two sons Chandan and Suman with whom I share my joys and sorrows to accomplish this humble task.

The books, periodicals and other pieces of literature mentioned in the study were mostly made available to me by the Utkal University Library, H. K. Mahatab State Library, State Assemble Library, Parija Library, Bombay Stock Exchange, RBI, IEM Library. My thanks are due to all the Librarians for their help and co-operation.

My humble gratitude is due to the Ex-Secretary and Director Late Gopal Krishna Nahak, Institute of Engineering and Management, Jeypore who had sponsored and helped me in my research work. My sincere thanks are due to Dr. Nityananda Jati, Dean of IILM Business School, Bhubaneswar & Shri B. C. Das, TTTI, Bhubaneswar who have helped me in my research work.

Last but not the least, Mr. V. Srinivas Rao of Bhubaneswar must be thanked for the expeditious production of this thesis.
