Last but not least I thank my mother Mangathayaru and mother-in-law Jaya Lakshmi whose blessings always provide me strength and will power. My father Late Gopala Chary and my father-in-law Late Sobhanadri Ayyavarlu, must have been blessing me from the brighter world for this effort. Many thanks are due to them for what all they have done to me.

Finally I thank my spiritual master Shri P. Raja Gopala Chary of Ramchandra Mission for generously helping me all through, in spite of all my short comings.

This dissertation would not have been possible without the support of many people. I might have failed to mention everybody’s name due to lack of space or simple lapse of memory.

I pray for all of them.
