ACKNOWLEDGEMENT

“A journey of thousand miles begins with single step”.

First of all, I thank "Almighty" who has generously bestowed such esteemed education on my destiny. This thesis is the result of constant hard work whereby I have been accompanied and supported by many people. It is a moment of immense pleasure for me to express my regards and gratitude for all of them. I feel exceptionally privileged and express a deep sense of gratitude towards my supervisor Prof. V.K. Gupta for his valuable mentorship, constant encouragement over years, insightful guidance, “tireless editing” and most importantly for always being willing to listen. I value his concern and support at all times. I am again thankful to Waheguru, who provided me supervisor like him.

I express my sincere thanks to Dr. Ashok Aggarwal, Chairperson, Dr. Ranjan Gupta and all others teachers of Department of Biochemistry, Kurukshetra University, Kurukshetra for their help extended during the entire period of Ph.D. Program. I express my special thanks to entire non teaching staff of the Department of Biochemistry for their full co-operation during research.

Financial assistance provided by University Grant commissio in the form of Maulana Azad National fellowship for minorities (UGC-MANF) is greatly acknowledged.

My most sincere and special thanks would go to my labmates Dr. Bhim, Dr. Sushil Nagar, Dr. Davender Sharma, Dr. Davinder Sharma, Dr. Lalit, Dr. Anuradha, Dr. Kanika, Urvashi Archna, Kiran and Shamma for their contribution at various levels of my research work was beyond words of recognition. I thank all my colleagues in our research group for the good and motivating work atmosphere. The lack of vocabulary utterly to express gratitude to my friends Dr. Jasneet, Kiran, Nirmaljeet, Neha, Dr. Anu, Chaman, Prateek, Rupinder, Anshu, Sneh, Sukriti, Mandheer, Preeti, Bhanu, Kavita, Amanjot, Divya, Libin, Sonu, Dr. Manpreet, Dr. Romika, Surbhi, Dr. Jatinder and many more for their valuable assistance, motivation and kind of co operation during entire period of my investigation.
Finally, I take this opportunity to take one and all who have directly or indirectly helped me in completing this task. Though many have not been mentioned, none are forgotten. Lastly, I would like to express my deep sense of regard to my father Late. Sh. Amrik Singh, and my mother Smt. Satinder Kaur who was more than a companion to me and listened to me patiently and advised me throughout this course of study. They formed a part of my vision and taught me the good things that really matter in my life. They raised me with a love of science and supported me in all pursuits of my life. They have been extremely supportive and caring towards me.

I would like to express my gratitude to my aunt Karanjeet Kaur, my uncle Kulbir Singh, my loving elder brother Jeewan Jot Singh Batth, my supportive sister Navjot Kaur Batth and my cousin Gaganjeet Singh for their hearten encouragement in every way over the course of year.
