

ACKNOWLEDGEMENT

*The present achievement of my career would not be possible without the blessings of **Almighty God**. I devote this treatise to Him. Each individual creature on this beautiful planet is created by God to fulfill the particular role. Whatever I have achieved in my life is through His help and expression of His will. His grace in me showed through some outstanding teachers, colleagues, friends and family members.*

At this moment, I am very happy to express my feelings of gratitude towards the persons who helped me directly or indirectly for carrying out my research work,

*With utmost pleasure and enthusiasm, I wish my sincere and profound gratitude to my supervisor, **Prof. (Dr.) Sarvesh Paliwal**, Head, Department of Pharmacy, Banasthali Vidyapith University (Rajasthan) for getting registered and permitting me to do the project at such esteemed organization. He has given me constant guidance, supervision, unflagging interest, critical comments, valuable suggestions and access to various facilities available there during the planning and execution of the course of research work,*

*Worlds alone are insufficient as I attempt my deep sense of gratitude to my supervisor respected **Prof. (Dr.) Shailendra K. Saraf**, Director (Pharmacy), Babu Banarasi Das Northern India Institute of Technology (B.B.D.N.I.I.T.), Lucknow (U.P.) for obliging me as my research supervisor, and providing constant motivation and unconditional support during the planning and execution of this research project, at this dignified institute. He introduced me to the real and competitive world of science. His enthusiasm, hard work and dedication will be always a source of inspiration for me throughout my life and truly personified the meaning of word "GURU". He inculcated in me scientific approach of thinking and problem solving. I take this as the most appropriate moment to thank him for his guidance and support in all the times.*

*I express my heartiest gratitude to my friend and co-worker **Ms. Savita Upadhyay**, Sr. Asst. Prof., Faculty of Pharmacy, B.B.D.N.I.I.T, Lucknow, (U.P.), for her cooperation, constant advises, fruitful discussions and unconditional support during planning, implementation and successful completion of this research project.*

*I would like to thank **Prof. Aditya Shastri**, Vice-Chancellor, Banasthali Vidyapith University for giving me the opportunity to get enrolled and work at this esteemed organization in the field of Pharmaceutical Chemistry providing all the necessary facilities needed for the research.*

It is my privilege to express my heartiest gratitude to Pof. (Dr.) Shubhini A. Saraf, Head, Department of Pharmaceutical Sciences, Baba Saheb, Bhimrao Ambedkar University (B.B.A.U.), Lucknow, (U.P.), for her valuable guidance and support.

I owe a deep sense of gratitude to respected Prof. (Dr.) Jaya Dwivedi, Head, Chemistry Department, Banasthali Vidyapith University for allowing the central instrumentation facility to characterize the synthesized derivatives. I would also like to thank Mr. Vinod Sharma In-charge central instrumentation laboratory, Banasthali Vidyapith University for his support during spectral characterization.

I am overwhelmed to express my sincere gratitude to Dr. Ravikumar M. (Senior Application Scientists), Mr. Vinod D., (Application Scientists) and Mr. Anirban Banarjee (Chief IT Consultant), Schrodinger Inc., USA, for their constant support during the planning and execution of molecular modeling studies.

I am highly grateful to Mr. Bidhyut Kumar Dubey , Ms. Kiran Singh and Ms. Jyotsna Vishwakarma, Asst. Prof., Faculty of Pharmacy, B.B.D.N.I.I.T., Lucknow (U.P.), for their support during animal experimentation.

I express my gratitude to Mr. D.N. Pathak (In-charge, Instrument Laboratory), Mr. Rajesh Singh (In-charge, store), Mr. Shashank Sharma (In-charge, Computer Laboratory), Ms. Rashmi Bala Dixit (In-charge, Library), Mr. Arvind Yadav and Mr. Hariom, (Laboratory Attendent), Mr. Kamal, Mr. Man Singh and Mr. Lal Chand (Peon), Faculty of Pharmacy, B.B.D.N.I.I.T, Lucknow, (U.P.), for giving their valuable time and support during the course of the research project.

I wish to express my humble regards and sincere thanks to all my teachers, colleagues, laboratory technicians and non-teaching staffs, Faculty of Pharmacy, B.B.D.N.I.I.T, Lucknow, (U.P.), for their valuable support and a comfortable working atmosphere throughout my research work.

I am grateful and wish to acknowledge Central Library and Sophisticated Analytical Instrumentation Facility, C.D.R.I., Lucknow, (U.P.) for support during literature review and spectral characterization of the synthesized compounds.

*I have so many heartily feelings but do not have adequate words to express my deep sense of gratitude for my parents, my wife and my family for their untiring support and seemingly unlimited belief in me. I thank him from deepest of my heart for their support, strength and encouragement throughout my research work. Also, I wish to acknowledge my daughters **Ayushi** and **Aadya** for their innocent love. All these people who wanted all the days to see me reaching this stage, their patience, prayer, blessings always gave me new zeal to do things in perfect manner.*

Lastly I would like to thank all those who had directly or indirectly helped me in successful completion of my project.

(AVINASH CHANDRA TRIPATHI)
