Acknowledgements

I owe a deep sense of gratitude to my research supervisor Dr. Biswanath Das, FRSC, Deputy Director, Organic Chemistry Division-I, Indian Institute of Chemical Technology, Hyderabad for his intellectual guidance, unfailing attention, constant encouragement and constructive editing of the thesis without which this work would not have come to light.

My sincere thanks to Prof. Y. Bharathi Kumari, Head, Department of Chemistry, Prof. P. K. Dubey, BOS Chairman in Chemistry and other faculty members of Jawaharlal Nehru Technological University, Hyderabad for his kind help and encouragement in carrying out the research work.

I wish to express my sincere thanks to Dr. J.S. Yadav, Director, IICT for having given an opportunity to carry out this work in this institute.

My special thanks to Dr. J. Madhusudana Rao, Head, Organic Chemistry Division-I, IICT, Prof. V. Padmavathi, Dr. A. Padmaja, Department of Chemistry, S.V. University, Dr. V. Siddaiah, Department of Chemistry, Andhra University, Dr. Y. Venkateswarlu, Dr. B. V. Subba Reddy, IICT for their kind help and encouragement.

I am thankful to NMR, Mass and Biology Divisions and Analytical Section for recording spectra and providing analytical data.

I express my heartfelt thanks to my seniors and colleagues, Dr. M. Krishnaiah, Dr. K. Venkateswarlu, Dr. B. Ravikanth, Dr. P. Thirupathi, Dr. K. Ravinder Reddy, Dr. K. Paramesh and friends inside and outside of the IICT for their suggestion, cooperation and timely help during my research work.

I feel fortunate enough to have been blessed with friends Dr. V. Prakash Reddy, Dr. D. Sudhakar, Dr. K. Hariprasad Reddy, M. P. Narasimharao, B. N. Seshadri, M. Chandrasekhar, Dr. N. Sivakumar, Y.
Jagadesh, Kumar Reddy, C. N. Reddy, Dr. Subba Reddy, who always stood by me during the period of crisis and made me to realize my strength to face trouble and difficulties.

My language skills are not enough to place my sincerest thanks to my spouse V. Krishna kumari and my brothers Kishore kumar, Nagaraja and Prasad, Amaranath and my brother-in-laws Krishnaiah, Mohan, Tulasi Krishna and my sister Chandrakala for their unconditional love and support during my education.

Words are not enough to express my thanks to my parents Sambamurthy and Narayanamma and family members to whom I owe my very existence. Their blessings only have helped me in reaching this goal.

I thank Indian Institute of Chemical Technology, Hyderabad and University Grants Commission, New Delhi for the award of Research Fellowships.

Finally, I take this opportunity to thank one and all who has directly or indirectly helped me in completing this task.
