ACKNOWLEDGEMENT

I, Major General Vijay P Pawar, AVSM, VSM (Retired), express my sincere gratitude to under mentioned persons and institutions who have encouraged and helped me in completing the research work.

I am thankful to Dr Rakesh Dholkia and Dr K K Velluri, the Ex Directors and Dr L K Choudhury, Director of Global Business School and Research Centre for their valuable directions about the subject validity of this Research Project. I thank Col (Dr) Kunal Bhattacharya, Professor in charge and Coordinator in Ph D Department of Global Business School to have given me all the encouragement to complete my Thesis and guiding me all along, but for his insistence to continue in the correct manner from time to time, the Thesis would not have been complete.

I am thankful to my Research Guide, Dr George Judah, for his valuable advice, guidance and a very positive motivation without which I would not have been able to move on in the right direction and complete this Research work.

I am thankful to the Vice Chancellor of Dr D Y Patil Vidyapeeth for giving me an opportunity to do this research work and helping me to arrange presentations, learn Research Methods and Statistics by way of classes.

I am thankful to Dr Anil Keskar for his appropriate guidance, from time to time, so that my subject study is channelized which helped me to proceed with and complete this thesis.

I am thankful to a large number of institutes and their staff like that from Symbiosis Institution, Sinhagarh Institution, Global Business School and Research Centre to have given me all the support and guidance to collect material for study, their analysis and putting details as required on paper.

My special thanks to my motivating wife, Usha, for her continuous moral support that was of immense help.
