ACKNOWLEDGEMENTS

This study has been dependent on advice, encouragement, help and assistance from a galaxy of people and institutions. It is my duty to give them due acknowledgement for the help in completing this study.

First of all, I am highly obligated to my supervisor Prof. Sudesh Nangia for the help, advice, and friendship during entire course of this study. I am indebted to her for sparing her valuable time and thought at every stage of this study. Her interest in the topic and caring nature was the driving force to complete the study. I am also indebted to Prof. M.K. Premi for his help.

My sincere gratitude is also due to all member in the Centre for Study of Regional Development for the help rendered to complete the study. I am specially grateful to Dr. Aslam Mohamood, Prof. A. Kundu and Prof. Ashok Mathur for advice and suggestions. I need to mention the help rendered by Ms. Shish Kaur in data processing and analysis.

I must thank all staff of Central Library, JNU for their cooperation. I am also thankful to staff of Centre for Development Studies, Trivandrum, National Infomatics Centre, Block Development Officers, Village Officers and Community leaders in providing necessary information for the study. I must extend my sincere thanks to Ms. Leelamany and Ms. Valsala of Bureau of Economics and Statistics, Government of Kerala for providing all relevant data for this study.

I am thankful to a large number of friends, well wishers and relatives to extent cooperation at different stages of the study. My special thanks are to Sankaran Kutty, Rawat and Kusum for their unconditional support. I am also thankful to Mr. R. Muralidharan, Hari Priya and Hari Govind for their encouragement and support.
My special gratitude is due to Jayachandran for preparing maps and diagrams, Raju and Manju, for typing and Ajith Kumar for final type setting. I extent my sincere thanks to Mr. Mathew Cherian, Director of Charities Aid Foundation India for all the support.

Last but not least I extend my heartiest gratitude to all the respondents who patiently answered lengthy questionnaire during the primary survey.

I thank almighty god for all blessings and hold personal responsibility for any shortcoming of this study.

New Delhi,
2000.

R. Gopa Kumar
