ACKNOWLEDGEMENT

There is tremendous contribution of several people in successful completion of this dissertation. I am thankful to all of them from the bottom of my heart. Firstly, I would like to express my sincere gratitude towards the Charutar Arogya Mandal for allowing me to work on part time Ph.D. project and giving me the platform for conducting this research project. I am heartily thankful to my guide, Dr. Sushil Kumar Singh, Professor of Physiology Department, for first of all accepting me as his student and showing trust in me throughout this journey of the project. I am grateful for his guidance, mentoring, humbleness, constant encouragement and valuable inputs throughout the research work. I consider myself lucky to be blessed with the opportunity to do my doctoral research under his guidance. Despite his busy schedules, sir was always available to clear my doubt whenever I approached for which I owe my sincere gratitude.

I also like to deeply thank my co-guide, Dr. Hasmukh Shah, Professor of Physiology Department, for being a constant source of motivation, and his tremendous help in thesis writing. I consider myself blessed to get his continuous guidance, direction and mentoring throughout the journey of the project. I am astonished with his irreplaceable way of inspiration and guidance.

My special thanks to Dr. Amrita Patel (Chairman of Charutar Arogya Mandal), Dr. Utpala Kharod, (Dean, Pramukhswami Medical College), Dr. Himanshu Pandya (Faculty Dean) and Mr. Sandeep Desai (CEO of Charutar Arogya Mandal) for being a constant source of encouragement throughout the period of my study. I owe sincere thanks to the Institutional Ethics Committee and its all the members of the research committee for allowing us to
work on such a great project. I am thankful to Departmental Research Committee of our Institute for their valuable and scientific guidance during Pre Ph.D. Presentation.

I like to extend my gratitude to wardens of Boys and Girls Hostel of H. M. Patel Medical Care and Education for helping us with recruitment and easy access of the subjects. I also like to heartily thank Principal/Head of various colleges of H. M. Patel Medical Care and Education, Karamsad such as Principal of Nursing College, and Principal of DMLT (Diploma Medical Laboratory Technology College), Principal of K. M. Patel Institute of Physiotherapy (K.M.P.I.P.), Dean Pramukh Swami Medical College (PSMC), Karamsad for allowing us with the access of students as without them the study would not have been possible. Further, I would like to sincerely show my appreciation to Principal of outside colleges such as Ashok and Rita Patel Institute of Physiotherapy (Changa) and N. V. Pass College (V.V. Nagar), for allowing me to do power point presentation and encourage students to take part in the study.

I am thankful to our Central Research Service (CRS) department, especially Mr. Mayur Shinde and Mr. Ajay Pathak for helping us with the statistical analysis of the results which is one of the major portion of the study. They have been very kind and always willing to help me whenever approached, thus we appreciate them for their efforts.

I want to express my gratefulness towards our beloved Principal of K.M.P.I.P. (Dr. R Harihara Prakash) and Professor, Department of Physiology, PSMC (Dr. Ashok Nair), who have always encouraged me for the study and allowing me to use Institutional resources. Moreover, I would like to thank Dr. Wasim Shaikh for providing me thorough support and guidance.
I want to deeply thank all the participants for their valuable time and wonderful cooperation, without whom the study would not have been possible. I would like to thank all the teaching and non-teaching staff members of K.M.P.I.P and department of Physiology, PSMC, Karamsad.

A special thanks to my family members who have always been my side. I cannot express in the words how grateful I am to my parents (Dr. Mahesh Parikh, Mrs Raxa Parikh), husband (Mr. Rakesh Parikh), brothers (Dr. Tejas Parikh and Dr. Niraj Parikh) and especially my son (Master Mann Parikh) who have sacrifice that they have made on my behalf. Your prayers for me kept me going further and reached where I am today. Thank you for supporting me always and especially for encouraging me throughout this experience.

Last but not the least, I would like to express my sincere thanks to anyone who I missed to show gratitude for their contribution in this thesis.

Above all, Finally I thank the Almighty for blessing me with the strength, health, and wisdom to take this project and letting me through all the difficulties. I have experienced your guidance at each moment and you are the one with whose blessing I am here. I will keep on trusting you for my future. Thank you, Lord.
