Declaration by the Candidate

I declare that the thesis titled ‘Architecture in eighteenth century Maharashtra: A focus on Commissioning and Construction of buildings in Peśvā period’ submitted by me for the degree of Doctor of Philosophy is the record of work carried out by me during the period from June 2012 to April 2017 under the guidance of Dr. Anurag Kashyap and has not formed the basis for the award of any degree, diploma, associateship, fellowship, titles in this or any other University or other institution of Higher learning.

Chapter two - Literature Review draws on my paper which was published in 2012 issue of the journal ‘Abacus’ under the title “Reading Architecture: Historiography of 18th Century Peshwa City and Architecture”.

Chapter nine – The Practice of Managing the Built Environment – Ritualistic and Symbolic is based on my paper (Co-Author – Dr Anurag Kashyap) “Festivals, Rituals, and Urban Landscape in Eighteenth-Century Maharashtra” which was published in the 2016 issue of the journal ‘South Asian Studies’

Full citations to the papers are included in the references section. I further declare that the material obtained from other sources has been duly acknowledged in the thesis.
