I have received encouragement and support from various quarters in the preparation of this research thesis. I am greatly indebted to the various authorities who have provided me an insight into the subject matter.

I express my sincere gratitude to my Supervising Teacher, Dr. Santhosh Nampy, Professor, Department of Botany, University of Calicut for his valuable suggestions, open discussions, consistent help, unflinching encouragement and inspiring guidance for the successful completion of this research work.

I gratefully acknowledge Dr. V.T. Antony, Head, Department of Botany and Dr. James Joseph, former Head, for all their help and encouragement during the course of my work. My sincere thanks are to Rev. Dr. Tomy Padinjareveetil, Principal and Dr. Stephan Mathews, former Principal, St. Berchman’s college, Changanassery for providing facilities to carry out this work. I wish to thank the entire college community for their warm support rendered for the easy carry out of my studies.

I am thankful to Dr. C.J. Mani, Head of the Department of Botany and Rev. Dr. Benny Sebastian, Principal, St. Joseph’s College, Devagiri, who helped me in various ways during my work. I also extend my thanks to all the staff members of the Department of Botany, St. Joseph’s College, Devagiri, for their valuable help and encouragement during the course of this study.

I also thank Dr. Mathews Glory, Retd. Professor, S.B. College, Changanassery, for his valuable advice and suggestions.

I wish to thank the Directors/in-charges, Curators and Librarians of the Herbarium of the Botanical Survey of India–Coimbatore (MH), Dehra Dun (BSD), Jodhpur (BSJO), Kolkata (CAL), Port Blair (PBL), Pune (BSI), Shillong (ASSAM); Blatter Herbarium, Bombay (BLAT); Calicut University Herbarium (CALI); Centre for Ecological Sciences Herbarium, Bengaluru (JCB); Forest Research Institute Herbarium, Dehra Dun (DD); Institute of Minerals and Materials Technology Herbarium, Bhubaneswar (RRLB); North Bengal University Herbarium, Siliguri; Rapinat Herbarium, Thiruchirappally (RHT); Royal Botanic Gardens Herbarium, Melbourne (MEL) and Tropical Botanical Garden and Research Institute Herbarium, Palode (TBGT) for allowing me to consult the herbarium and library.
My special thanks to Dr. Robert Faden, Smithsonian University for providing the literature input and discussions on nomenclature.

The following are thanked for extending hospitality and helping me in the field work. Dr. V.P. Prasad (CNH Kolkata); Dr. Jagadeesh Pal Yadav (BSI Jodhpur); Dr. A.P. Das and Muktan Saurav (North Bengal University); Joy Kudiyirikkal, Sebastine C. and Vivek C.P. (Botanical Survey of India, Coimbatore).

A special word of thanks to Dr. A.K. Pradeep, Assistant Professor, Department of Botany, University of Calicut for the prompt support rendered for this work.

I extend my thanks to Mr. Joby Paul, Research Fellow, M.G. University, Kottayam for various help in this study. I must also thank my friends and researchers, University of Calicut, Mrs. Sheba M. Joseph, Mr. Manudev K.M., Mrs. Shahina Shanavas and Mr. Alfred Joe for their priceless help, support and encouragement. I also thank Miss. Suhana M., and Miss. Janeesha A.P. for providing illustrations.

I also thank all my friends and well wishers for their affection, encouragement and prayers for the completion of this research contribution.

I could not have completed this work without the sincere co-operation of my family. I wish to express my profound sense of gratitude to my husband, son and in-laws for their patience, understanding and encouragement.

Above all, I look up with gratitude to ‘God’ for his grace which led me to complete this work.

Finally I dedicate this work to my beloved Parents for their blessings and never ending support.
