Acknowledgement

“My heart praises the lord for he has done great things for me”

The investigator places on record her heartfelt gratitude and profound indebtedness to Dr. (Mrs.) Usha Chandrasekhar M.Sc., Ph.D. (Purdue), Former Dean, Professor and Head, Department of Food science and Nutrition, Avinashilingam University, Coimbatore under whose guidance the study was carried out. Her experience, scholarly guidance, valuable suggestions and constant encouragement that helped the investigator during the course of the study are wholeheartedly acknowledged. It has been a great privilege for the author to carry out the investigation under her dynamic guidance and supervision.

The investigator is highly indebted to Dr. N. Kamalamma, Prof. of Home Science (Rtd.), Gandhigram Rural Institute, Tamilnadu for her generosity, timely help and guidance. Without her valuable advice, continuous support and assistance it would not have been possible to complete my doctoral work.

The author wishes to express her sincere gratitude to Rev. Dr. Sr. Teresa CSST, Principal, Rev. Sr. Tessa CSST, Provincial and manager and the management of St. Teresa’s College, Ernakulam for their encouragement and support for the successful completion of the study.

With a deep sense of gratitude the investigator acknowledges the valuable suggestions and scholarly support of Mrs. Sara Abraham, Rtd. Professor and staff of the Department of Home science, St. Teresa’s College, Ernakulam. The author is extremely grateful to Dr. Anura Kurupad, Professor and Head and Dr. Rebecca
Kurian, Asst. Professor, Division of Nutrition, St. John’s Medical College, Bangalore for their valuable suggestions in formulating the methodology of the study.

Investigator is indebted to University Grants Commission for providing the fellowship for the fulfillment of academic requisites at different stages of the study. Sincere thanks to Mr. Suresh S Software designer, Indocosmo Systems, Kochi for his professional excellence and skill for the development of the new software Calebor, Dr. T N Sugathan, Director, Center for survey and research, Kochi and Dr. E S Jeevanand, Associate Professor in Statistics, Union Christian College, Aluva, for the help rendered in the statistical analysis of the data and to Mr. Jabir KJ and Ms. Priya for their help in the data entry process. Assistance of Mr. PJ Thomas is also gratefully acknowledged.

The author expresses her sincere thanks to the men and women who took part in the study and the ward councillors of Kochi Corporation whose willingness and co-operation made this study possible and all those who helped and assisted in the field during the collection of data.
