ACKNOWLEDGEMENT

I wish to express my profound gratitude and heartfelt thanks to the distinguished people who helped me to complete this thesis.

I thank god almighty for his blessings and support throughout the study.

My deep gratitude goes to my guide Dr. R. Maruthakutti, Reader, Department of Sociology, Manonmaniam Sundaranar University, Tirunelveli, for his constant help, guidance, and valuable and timely suggestions during my doctoral study. He has been a source of inspiration and strength, under his guidance; I realized the importance of honesty, commitment and hard work in academic life.

I am indebted to Dr. G. Karunanithi, Professor& Head, Department of Sociology, Dr. M. Ramakrishnan, Professor, Department of Sociology, Dr. N. Kannan, Reader, Department of Sociology, Dr. P. Kannappan, Centre for Inclusive and Exclusive Policy, Manonmaniam Sundaranar University, Tirunelveli, for their inspiration to complete my study successfully.

I derive immense inspiration from Dr. U.R. Kaliappan, Professor (Retd.), Department of Sociology, Bharathiyar University, Coimbatore. His suggestions gave me confidence, which I desperately needed during the course of my research work.

My gratitude goes to Dr. T. Chandramohan Reddy, Professor and Head (Retd), Department of Sociology, Bharathiyar University, Coimbatore, for showing keen interest in my study and valuable suggestions.

My special regards goes to Prof. Mrs. Seethalakshmi, Principal, Sri Ramakrishna College of Nursing, Coimbatore for her constant and consistent support and encouragement during my study.

My thanks are in due to Prof. Mrs. Ramathilagam, Vice-Principal, Sri Ramakrishna College of Nursing, Coimbatore for her valuable advice.

My heartfelt thanks go to Dr. S.V. Udhayakumar for his invaluable and timely support during my study. He is my source of inspiration.
I am obliged to Dr. R. Vijayaraghavan, Reader, Department of Statistics, Bharathiyar University, Coimbatore, for his precious help in determining sample for my study.

I am indeed grateful to Dr. Thomas Chocko, Professor & Head, Department of Community Medicine, P.S.G Institute of Medical Sciences and Research, Coimbatore, who gave appropriate suggestions to take my study in write direction.

My deepest gratitude to Prof. Mrs. Jean Abraham, Principal, P.S.G. College of Nursing, Coimbatore and Dr. Subhadra, Professor, Department of Research Methods, P.S.G. College of Nursing, Coimbatore for their whole heartedness in my academic development.

Pursuing a research work has been difficult without the help of friends and a colleague, my sincere thanks goes to Prof. Sellakumar, Department of Psychology and Research Methods, Sri Ramakrishna College of Nursing, Coimbatore, Prof. K. Venugopal, Department of Sociology and Research Methods, KMCH College of Nursing, Coimbatore, Dr. Radhakrishnan, Director, SKYTRAC, Coimbatore, Dr. Sridhar, Medical Officer, Dr. Balakrishna Murthy, Lecturer, Department of Psychology, P.S.G. College of Arts and Science, Coimbatore, Prof. Grijakumari, Head of the Department, Department of Community Health Nursing, Mrs. Brindha, Assistant Professor, Department of Community Health Nursing, Mrs. Ramya, Assistant Professor, Department of Bio-Statistics, Mrs. Thiruveni, Lecturer, Mrs. Jaba, Lecturer, Mrs. Jayanthi, Lecturer, Sri Ramakrishna College of Nursing, Coimbatore and Mrs. Jennifer, Post-graduate student, CMC, Vellore for their invaluable moral and intellectual support.

I owe my special thanks to Dr. Saleendran, Professor, D.J. Academy for Managerial Excellence, Coimbatore for his insightful contribution to complete my statistical analysis.

My special thanks go to Miss. Ruth, Lecturer, Sri Ramakrishna College of Nursing, Coimbatore, for her valuable contribution in English corrections.
I wish to thank Mr. Kathirasan, Coordinator, Kudoo Voluntary organization, Mrs. Kannamma and Mrs. Latha, Members, Self Help Group, Coimbatore for their selfless, timely help to complete my field work.

I must express my sincere thanks to Dr. Porkaipandian, Deputy Director of Health Services, Directorate of Rural Health Services, Coimbatore, who permitted me to collect secondary data from various block Primary Health Centers to identify and determine the sample size.

My deepest gratitude goes to Dr. Mohammad Ali, Medical Superintendent, ESI Hospital, Coimbatore, for his appropriate and invaluable support extended to complete my study.

I specially thank Medical Officers, Community Health Nurses and Village Health Nurses of Madukkari, Thudiyalur, Thondamuthur, and Sarkarsamakulam Block Primary Health Centers, who provided me population census of the villages.

I continue to value the support and friendship of Dr. Malarvizhi and Dr. Malathy for their commitment in helping me in various stage of my study.

The Librarian and Staff of National Institute of Mental Health and Neuro Science (NIMHANS) library and Dr. Kavitha, Clinical Psychologist, NIMHANS, Bangalore, deserve my deepest gratitude for providing me enough literature review to pursue my study.

My sincere thanks to Dr. Selvaraj, Senior Lecturer, Department of Psychology, Government Arts College, Coimbatore and his students for their help in collecting secondary data.

I wish to thank Mr. Kumaran, Proprietor, Computer Park, Coimbatore, and Mrs. Ranitha, System Operator, Computer Park, for their wonderful and dedicated DTP work and editing.

I express my whole hearted thanks to all my respondents who cooperated with me and my research investigators to gather information.
At this juncture my heart goes out to my parents, sister, brother-in-law, in-laws, wife, daughter, son, and Seenu Bava, who nudged me into this adventure with confidence, comfort and sprit.

At last I am thankful to all my friends, colleagues and well wishers for their constant, committed and coordinated help.

(S. SAMPATH KUMAR)
