Acknowledgement

Above all, I owe it all to Almighty Allah for granting me the wisdom, health and courage to undertake this research task and enabling me to its completion.

Firstly, I express my sincere gratitude and thanks to my supervisor & Chairperson Prof. Shamsul Haque Siddiqui, Department of Geography, Aligarh Muslim University for his erudite, scholastic and constructive guidance, sincere criticism, precious suggestions, constant inspirations and encouragement throughout the course of this study. His guidance helped me in all the time of research and writing of this thesis. I could not have imagined having a better advisor and mentor for my research.

I am also grateful to my teachers Dr. Tariq Mahmood Usmani, Dr. Mumtaj Ahmed, Dr. Fazlur Rahman for Dr. Nooruzzaman for their valuable suggestions. I take this opportunity to express my gratitude to all the teachers of the department for their support and for developing healthy academic environment in the department. Thanks are due to all non-teaching staff at the Department of Geography, AMU, Aligarh, for extending the helping hand at times during my research. It was a very nice and memorable association with all the technical stuff research scholars of the departments I wish to give them my heartfelt thanks for their constant support and help. I convey my thanks to Q.I. Hashmi, seminar librarian, Department of Geography, AMU, Aligarh

I take this opportunity to sincerely acknowledge to the University Grants Commission (UGC) for providing financial assistance in the form of Junior Research Fellowship (MANF-JRF) which buttressed me to perform work comfortably.

Special and sincere recognition to my caring and loving husband Dr. Nasim Aktar for always standing by my side as big support and helped me to complete my research work. He also helped me in improving my whole Ph.D work. Without his support and encouragement it would have not possible to complete my research work.

I take this opportunity to thanks my close friends and seniors Dr. Jakir Hossain, Md. Akhtarul Haque, Rajni Sharma, Faiyaz Afzal and Sk Ajim Ali. They were always supporting and encouraging me with their best wishes and timely help.

My special thanks to Tanvirus Sahar and her daughters Sharmin Siddiqui & Saami Siddiqui for their support, prayers, love and words of encouragement during my research work.

My sincere thanks to my in laws (Mr. Nazrul Islam, Mrs. Rofina Bibi, Tahera Khatun, Sayema Yeasmin & Abdul Kuddus) for the support and Dua in completion of my thesis.
Finally, I am also thankful greatly and whole heartedly to my family members whose encouraging words helped me to complete this work. I am proud of my father Mr. Mostak Sk, mother Mrs. Nounara Bibi, my sisters (Tahida Khatun & Wahida Khatun) and brothers (Asadul Islam & Sahanowaj). I also wish to thanks to my brother in laws (Anowar Hossain and Anikul Islam) for their constant support, prayers, love and words of encouragement during my research programme. They are my strength and constant source of inspiration for the completion of this work and whole life. Besides them it was the tender love and affection of my niece (Diya, Piya, Dina & Ayan) which cuddled my times of excessive work load.
