ACKNOWLEDGEMENT

On the accomplishment of the present study, I would like to take this opportunity to extend my deepest sense of gratitude and words of appreciation towards those, who dedicated their today for my tomorrow. I deem it a proud privilege and feel immense pleasure to acknowledge all those who are directly or indirectly involved.

With sincerity and immense pleasure, I express my heartfelt gratitude to my Supervisor Dr. G.M. Kachhawa, Head, Department of Life Science, Shri Jagdishprasad Jhabarmal Tibrewala University, Jhunjhunu. Words can never express the high regards and love I have towards my guide. It is her resolute guidance, unwavering encouragement, tremendous enthusiasm, abiding interest, meticulous supervision and unstained help throughout period of my research work that inspired me to reach my goal.

I extend sincere thanks to Dr. Om Prakash Chahar, Ph.D. Coordinator, Department of Allied Science, Shri Jagdishprasad Jhabarmal Tibrewala University, Jhunjhunu. He permitted complete freedom to me and I fervently hope that I have done something to do justice to the faith he had in me. Without his support, I could not have completed my work in time. The critical advices given have helped me to overcome many tough moments.

I am thankful to Dr. Hemraj Chhipa, Research Associate, TERI (The Energy Resources Institute), New Delhi and Mr. Om Prakash Chauhan,
BITS, Goa Campus for providing necessary facilities and continuous support.

I owe my special thanks to Mr. Balkrishan Tibrewala, Registrar, Shri Jagdishprasad Jhabarmal Tibrewala University, Jhunjhunu for giving valuable support, unflagging help and guidance.

I owe my special thanks to Dr. Vinod Tibrewala, Chancellor, Shri Jagdishprasad Jhabarmal Tibrewala University, Jhunjhunu for giving valuable support, unflagging help and guidance.

On the way of completion, my colleague Ikram Qureshi, JRF, Department of Life Science, Shri Jagdishprasad Jhabarmal Tibrewala University, Jhunjhunu for his constant care, support and encouragement. I express boundless gratitude towards his for not only listening to me but also tolerating my moods and me during the course of study. His continuous encouragement and faith helped me to overcome fear of failure and turned it to desire to succeed, that helped me get going during difficult times.

I want to reserve special words of gratitude to my friends who shared the moment of happiness and sorrows are memorable forever. The expression of my gratitude will remain incomplete if I fail to acknowledge the enjoyable company, Silent Wishes and moral support of my friends Abhishek Mathur, Ajit Kaswan, Surender Khichar and Virendra Singh Dhayal. It is their good wishes and love that helped me to surmount all my difficulties.

This acknowledgement is meaningless without appreciating my Dada ji Choudhary Makhan Singh Dhinwa, Dadi ji Shamakori Devi, Papa
Shri. Mahendra Singh, Maa Smt. Santosh Devi and my Brothers Manish Kumar, Vikas Kumar and Ajay Kumar to whom I owe all the purposes I have achieved so far, inspired guidance, affectionate blessing, timely care, rock hard support and unsurpassable patience all the times. My vocabulary completely inefficient in expression of my gratitude to my family members and my wife Mrs. Poonam Dular who inspired me on each and every state of this research work, without their immemorial contribution this research completion was not possible.
