ACKNOWLEDGEMENT

This research study owes its completion to the sincere cooperation extended to me by many persons of competence.

Firstly, I am extremely grateful to Dr. Ramesh R. Berad, for accepting me as his research student, even though he already has a large number of research students working under his guidance from University of Pune and in spite of his fulltime responsibilities as Director of Amrutvahini Institute of Management and Business Administration (AIMBA), Sangamner. It was possible to sustain my enthusiasm and interest at an elevated level due to his constant encouragement and timely advice. This research work could be completed only because of his advice role in guiding my research work. I am very much thankful to Dr. Ramesh R. Berad for his able guidance.

I am deeply gratified to Late LMC of Maharashtra Dr. Vasant N. Pawar, Member of Management Council, Pune University, Member of MCI and Sarchitnis, Maratha Vidya Prasarak Samaj’s, Nashik kindly supported and stood behind me in my research work. I will always remember his wholehearted support. I am also very thanks to Mrs. Neelima V. Pawar, Sarchitnis, and all the members of councils’ Maratha Vidya Prasarak Samaj, Nashik.

I am very thankful to Dr. V.B. Gaikwad, Chairman, BCUD, S.P. Pune University and Dr. B. V. Sangvikar, HOD PUMBA, Pune University who supported my research activities and provided direction to the research work from time to time. I am also thankful to Dr. E. B. Kedkar Dean, Management Science, S.P. Pune University. I am also thankful to Dr. S. B. Kolte, Director General, Institute of Management Studies, Career Development and Research (IMSCD&R), Ahmednagar.
I am specially, thankful to Vice Chancellors of all the Universities across the Maharashtra and their Registrars and IT Nodal Officers and their kind support for providing me a valuable data for my research work. I am thankful to a Chairman, President and Secretaries of all renowned educational sansthas’ of Maharashtra who also provided me a valuable data for my research work.

I am thankful to Dr. V. S. More, Ex-Director of Mahatma Gandhi Vidyamandir’s, Institute of Management and Research, Nashik and Dr. Mrs. Asha Verulkar, Ex-Director of Institute of Management and Business Studies, Nashik.

I am also grateful to Director, Dr. B. B. Rayate, Institute of Management, Research and Technology (IMRT), Nashik during his tenure as I got opportunity to do my research work in his research center. I am also thankful to collogue and non-teaching staff of IMRT as without their constant support my research work would not have completed.

I am grateful to my late grandfather and grandmother from whom I have taken inspiration of life and they have been supporting me since my childhood to take higher education. I am also grateful to my late father, kind mother as well as brothers who were my constant source of motivation to complete this research. I also thankful to my friends without their encouragement I hardly do this research.

Last but not the least I am thankful to my wife Vaishali, for her wonderful support and encouragement during the research work. Amruta, my daughter and Swami, my son too supported this endeavor for its completion.
