ACKNOWLEDGEMENTS

First of all, I would like to express immense and thorough gratitude to my Guide, Prof. (Dr.) Vivekanand Tiwari, Department of Electronics and Communication Engineering, Manipal University Jaipur, for his invaluable guidance and encouragement throughout the course of my research. He has not only given me many useful ideas and advice, but also provided me enough space for inventions.

In addition, I sincerely thank my Co-Guide, Dr. Ganga Prasad Pandey, Department of Information and Communication Technology, Pandit Deendayal Petroleum University, Gandhinagar, Gujarat, for providing sincere advice, motivation throughout the research, devoting time and maintaining patience.

I would also like to thank Dr. Tarun Kumar Dubey, Associate Professor, Department of Electronics and Communication Engineering, Manipal University Jaipur, for his support, guidance and providing a friendly and good research environment.

Finally, my heartfelt gratitude to my family members, who have provided me their unconditional support and encouragement during my study.
