ACKNOWLEDGEMENT

In the very beginning, I would like to express my sincere gratitude to my respected supervisor, Professor Jatin Kalita, Dean and Head, Department of Zoology, Gauhati University for his scholarly guidance, illustrations, advice, keen interest, encouraging attitude, despite his multifarious preoccupation and constructive criticism were the real sources of inspiration for me during the research work.

I would like to express my thanks to Prof. Mrs Karobi Dutta, ex-Head of the Department of Zoology, Gauhati University for support, co-operation and providing all necessary facilities in carrying out my research work.

I would like to acknowledge all my teachers of Department of Zoology, for their moral support and spend their time in carrying my research work. I owe my regards to Late Dr. Umesh Chandra Goswami for his constant support and warm cooperation and never ending encouragement.

I am also extremely grateful to non-teaching staff and all others for helping me and providing necessary facilities during my research work in the Zoology Department. I am very thankful to Gauhati University Administration.I am thankful to UGC – BSR fellowship for financial support.

I am thankful to the Assam Forest Department, Government of Assam for granting me permission to undergo my research works in Nambor Reserve Forest, Assam, India. I would like to thank to the then DFO (Golaghat Division) Mr Rajan Choudhary and Mr Dipak Dutta (Deputy Ranger, Juriadollong Golaghat Division) for providing me immense help during my field work. My warm regards to Mr Bibison Tokbi (Ranger of Silanijan, Karbi-Anglong Division) and Mr Chandra Singh Kro Deputy Ranger of Garampani, Karbi Anglong Division for efficiently helping me on field survey work. I am very thankful to Mr Lalit Gohain the then Forester 1 of Garampani Golaghat Division and for giving me help during during the field trip. I would like to acknowledge all the forest guards of Nambor Reserve forest without whom it would have been difficult to carry out my research work.
I am very much thankful to Mr Peter Smetacek, Founder and Chairman of Butterfly Research Centre, Bhimtal for giving me training on basic course in butterfly identification, taxonomy and curation.

I would like to thank Mr Kajjal Saikia, Mr Pranab Sharma and Mr Sasanka Batchas for their encouragement especially Mr Bhuban Barman of Numaligarh Refinery Limited with whom I have the opportunities to discuss about the identification of butterflies and their host plants and for his immense help during my field survey period. I am very grateful to Mr Chiranjeev Saikia, Assistant Labour Commissioner (Central) and his family who made all the facilities and the necessary arrangement of my stay during my research period.

I am also extremely grateful to my senior Dr.Bhrigu Prasad Saikia for making me familiar with the study area and in preparing the map of my study sites during the course of the study period. Throughout my work, my colleagues and juniors have encouraged and enrich my efforts through their cooperation and dedication; I would like to thanks especially Dr. Sandip Choudhury, Dr. Majedul Islam, Dr. Dulur Brahma, Dr. Ibsorani Kanghujam, Nabanita Das, Kripaljyoti Mazumdar, Priyasa Saikia, Dr. Arup Buragohain, Dr. Yungkham Rajeev Singh, Tarali Kalita, Rituporna Sharma, Sangeeta Das, Nilotpali Mahanta, Dipti Thakuria.

I am very grateful to a few peoples who supported me during my hard days especially Dr. Sougrakpam Neli for her precious time and company in many steps of my research works. I am grateful to Dr. Kuladip Sharma for assisting me in statistical analysis of the work. I would like to acknowledge Dr. Konkona Borbora and Dr. Sachin Kumar Borthakur (Department of Botany, Gauhati University) for efficiently helping me identify host plant specimens. Also my warm thanks to Gaurab Nandi Das and Bitupan Boruah for their immense help in field survey work and in preparing, laying out the thesis. I would like to convey my thanks to Bharbi Printers Centre for printing and binding the thesis.

I would like to avail this opportunity to express my sincerest gratitude to my husband, Arnab Mazumdar for his constant support, help and valuable suggestions not only during the completion of the thesis, but in every step of life. I would also like to
thank my father in law, Phanindra Mazumdar and mother in law Nabami Mazumdar for their constant encouragement.

I will be remain ever grateful to my two younger brothers, Prasiddha Jyoti Mudai and Abhinab Mudai for their love and support given since childhood to uptill now.

Finally, I would like to express my gratitude to my parents, Chandra Dhar Mudai and Usha Mudai for their understanding and supports not only during the period of my Ph.D work but also in every walk of my life.
