Acknowledgment

First of all, I am grateful to supreme God for giving me strength and good health to finish this work successfully. I am thankful to my family who allowed me to learn new things through this work in the journey of my life.

I would like to express my deepest and sincerest gratitude to my supervisor, Dr. Vimal J. Savsani for his kindness in providing an opportunity to be his advisee. Also, I appreciate his valuable advises, suggestions, encouragement, support, guidance, and criticism throughout my thesis work. I am most grateful for his teaching, not only the research methodologies but also many other methodologies in life. Also, I would like to express my greatest appreciation and sincere gratitude to Dr. Vivek K. Patel and Dr. Nikhil A. Gokhale for their valuable advice, kindness, useful comments, and suggestions.

Also, I offer sincere thanks and appreciation to my Doctoral Committee (DC) and my examination committee. I would like to express my sincere gratitude to Director General, Prof. T. K. Reddy, School Director and DC Chairman, Prof. T. P. Singh, Dean of Faculty, Prof. D. M. Parikh, and Head of Department Dr. Vishvesh Badheka without their guideline and motivation I would not have completed it. It is my pleasure to acknowledge Prof. R. L. Jhala, an external research expert and other DC members for their valuable suggestions during my research work. I am thankful to the evaluators and examiners for considerations and constructive suggestions. These comments have helped me in improving the attractiveness, readability, and quality of the thesis.

Furthermore, I would like to acknowledge experts from various countries, Dr. Sujin Bureerat from KhonKaen University, Thailand, Dr. Ali Kaveh from Iran University of Science and Technology, Iran, Dr. Seyedali Mirjalili from Griffith University, Australia, Dr. Nantiwat Pholdee from KhonKaen University, Thailand, Dr. Doddy Prayogo from National Taiwan University of Science and Technology, Taiwan, Dr. Ruiyi Su from Tsinghua University, China, Dr. Daniel Mohr from Cisco Systems, Germany, Dr. Willy Patrick De Wilde from Vrije Universiteit Brussel, Belgium, Dr. Leandro Fleck Fadel Miguel from Federal University of Santa Catarina, Brazil, and Dr. D.E.C. Vargas from Universidade Federal de Juiz de Fora, Brazil for their motivation, support, and assistance.
Last but not the least, I would like to express my greatest appreciation and sincere gratitude to my parents for always loving, believing, trusting, supporting, and encouraging me. I am highly indebted to my wife for her love, care, moral support, and cooperation. Thanks a bunch to all of my friends, colleagues, and family members who made my doctoral journey enjoyable and memorable.

Ghanshyam G. Tejani
