

AUTHOR'S PUBLICATIONS

- 1. Sujatha Varadi, Dr.G. Appa Rao** “Quality of Service Centric Web Service Composition: Assessing Composition Impact Scale towards Fault Proneness” in “**Global Journals Inc. (USA)**” which is published in Volume 14 Issue 9 Version 1.0 Year 2014, Online ISSN: 0975-4172 & Print ISSN: 0975-4350.

- 2. Sujatha Varadi, Dr.G. Appa Rao** “Scale to Composition Fault Inclined (SCFI): Heuristic Scale to Assess the Impact of Composition towards Fault Inclined” published in “**International Journal of Applied Engineering Research**” which is indexed in SCOPUS, ISSN 0973-4562 Volume 10, Number 17 (2015).

- 3. Sujatha Varadi, Dr. G. Appa Rao** “QoS Discrepancy Impact (qdi) and Cohesion Between Services (cbs): QoS metrics for robust service composition” accepted in **International Conference on Micro-Electronics, Electromagnetics and Telecommunications ICMEET-2015**.

- 4. Sujatha Varadi, Dr. G. Appa Rao** “Scale to Composition Fault Inclined (SCFI) & Scale to Composition Haleness (SCH): Design of Heuristic Metrics to assess Service Composition is Fault Inclined or Hale” published in **Journal of Theoretical and Applied Information Technology** which is indexed in SCOPUS, ISSN:1992-8645, E-ISSN:1817-3195 Volume 93, Number 2(Nov,2016).
