List of Figures

FIGURE 1.1 FLOW BETWEEN ENTITIES IN FORWARD AND REVERSE LOGISTICS ...............4
FIGURE 1.2 BREAK-UP OF TRANSPORT MODES IN INDIA ...................................................7
FIGURE 1.3 TYPICAL COST COMPARISON BETWEEN VARIOUS MODES OF LOGISTICS IN INDIA .........................................................................................8
FIGURE 1.4 TYPICAL FLOW OF RETURNS IN REVERSE LOGISTICS ...............................9
FIGURE 3.1 HIERARCHICAL STAGES OF REVERSE LOGISTICS ACTIVITY ....................46
FIGURE 3.3 DERIVED OBJECTIVES AND SUB-OBJECTIVES FOR RETURNS’ MANAGEMENT FOR AHP .........................................................................................56
FIGURE 3.4 SAATY’S SCALE ............................................................................................60
FIGURE 3.5 COST OPTIMIZATION OBJECTIVE: AHP NORMALIZED PRIORITY FOR PCO FRAMEWORK .........................................................................................61
FIGURE 3.6 COST OPTIMIZATION OBJECTIVE: AHP NORMALIZED PRIORITY FOR PCS FRAMEWORK .........................................................................................62
FIGURE 3.7 COST OPTIMIZATION OBJECTIVE: AHP NORMALIZED PRIORITY FOR PDO FRAMEWORK .........................................................................................63
FIGURE 3.8 COST OPTIMIZATION OBJECTIVE: AHP NORMALIZED PRIORITY FOR PDS FRAMEWORK .........................................................................................64
FIGURE 3.9 COST OPTIMIZATION OBJECTIVE: AHP NORMALIZED PRIORITY FOR TCO FRAMEWORK .........................................................................................65
FIGURE 3.10 COST OPTIMIZATION OBJECTIVE: AHP NORMALIZED PRIORITY FOR TCS FRAMEWORK .........................................................................................66
FIGURE 3.11 COST OPTIMIZATION OBJECTIVE: AHP NORMALIZED PRIORITY FOR TDO FRAMEWORK .........................................................................................67
FIGURE 3.12 COST OPTIMIZATION OBJECTIVE: AHP NORMALIZED PRIORITY FOR TDS FRAMEWORK .........................................................................................68
FIGURE 3.13 CUSTO. REL. OBJECTIVE: AHP NORMALIZED PRIORITY FOR PCO FRAMEWORK .................................................................................................69
FIGURE 3.14 CUSTO. REL. OBJECTIVE: AHP NORMALIZED PRIORITY FOR PCS FRAMEWORK .................................................................................................69
FIGURE 3.15 CUSTO. REL. OBJECTIVE: AHP NORMALIZED PRIORITY FOR PDO FRAMEWORK .................................................................................................70
FIGURE 3.16 CUSTO. REL. OBJECTIVE: AHP NORMALIZED PRIORITY FOR PDS FRAMEWORK .................................................................................................71
FIGURE 3.17 CUSTO. REL. OBJECTIVE: AHP NORMALIZED PRIORITY FOR TCO FRAMEWORK .................................................................................................71
FIGURE 3.18 CUSTO. REL. OBJECTIVE: AHP NORMALIZED PRIORITY FOR TCS FRAMEWORK .................................................................................................71
FIGURE 3.19 CUSTO. REL. OBJECTIVE: AHP NORMALIZED PRIORITY FOR TDO
