ACKNOWLEDGEMENTS

No Mission can be accomplished without proper guidance, direction and encouragement. I am thankful to Almighty “Allha” who blessed me and guided me to choice Dr. Mohd Sarfraz Asgher as my supervisor. There are no words for him. He has been an immaculate source of inspiration and direction for me. He always corrected me and guided me at every step. The thesis has seen the light of the day because of him only. The submission of Ph.D. thesis is a dream moment in my life. This research work has become possible primarily because of the support, suggestions and guidance from many quarters. Any amounts of words are definitely not sufficient to express my gratitude to those who stood behind me in completing the thesis. First of all, I thank Almighty by grace of whom I could complete this thesis.

I profusely articulate my gratitude and thanks to my supervisor Dr. Mohd Sarfraz Asgher for extending his valuable, timely and academic guidance and the bounteouness that enabled me to complete my thesis. Despite his prior engagements in academic and administrative works, he was always ready to help me, and has consistently advised me and has given appropriate suggestions. His profound extravaganne of the subject forced me to explore the subject even more to have prolific discussions with him. It is indeed a blessing to have a fine human being like him guiding me through the process of learning. He was, he is and will always remain a source of inspiration for me. He is a man with Golden Heart, which is rare and exclusive in today’s world.

I can't omit to express my sense of indebtedness as well as reverence to Prof. Verinder Singh Manhas (H.O.D) who cooperated with me in completing this work. I would like to thank my entire faculty including Dr. Anuradha Sharma, Late Mr. Devinder Singh, Dr. Shashi Prabha and Dr. Inderjeet Singh.

I gratefully acknowledge for Dr. Rajinder Singh Chark, Dr. Rakesh Jasrotia Assistant Professor their understanding, encouragement and personal attention which provided me good and smooth basis for my Ph.D. They have been a constant source of motivation and helped me in pursuing my task. His profound knowledge enriched my research work.
I also take this opportunity to sincerely acknowledge his support Prof.GM Bhatt (Geology Department), Dr. I.A Khan, Dr. Subhash Chander Sharma, Mrs. Sarita Nagari, Rahul Kumar (Department of Planning), Dr. Vivek Mahajjan, Rakesh Kumar Assistant Prof. (Department of Zoology), Pankaj Sharma Rippen Kumar (Department of PDD), Kunal Banithia (Department of BSNL), Anzar Ahmed Malik, Dr. Khalid Rayaz, Miss Sachin Sudan, Miss Sunaina Kochar, Mohd Anees, Mrs. Preeti Salathia, Bupesh Singh, Rekha Takur, Shamas-ul-din, Karan Singh, Popinder Singh, Sandeep Sharma, Randheer Kour, Asif Iqbal Malik, Imran Khan, Waqar Aziz, Yasir Aziz and special thanks to Mrs. Fiza Aziz (London).

I am very much thankful to my senior scholars and friends for their unconditional and moral support at all times. I do not want to lose any opportunity to thank Dr. Nisha Slathia, Dr. Tajinder Kour, Davinder Singh, Lokider Singh, Gagan Verma. It would be an injustice if I forget to thank my fellow research scholars. My exclusive thanks to Rankush Kumar Dalotra, Sanjeev Sharma, Sanjay Singh, Saloni, Gagan Dogra, Sandeep Singh, Rohit Singh, Ravi Kumar, Sunil Kumar, Hardev Singh, Shivani Verma, Sameeta, Navjot Bakshi, Late Dhreej Duby, providing me all possible help.

I record special thanks to officials of my Department namely Sh.Daleep Singh Smt. Bhavna and Smt. Nidhi Gandrai who always stood by me in need and wished me success in completing my research work. Even I am wordless to thank non-gazetted staff of my Department who always responded with overwhelming assistance to me.

Last but not the least, I reiterate all my love and affection to my parents and I think one of the greatest support to the work were my parents. It is because of their progressive attitude that I have got the opportunity to reach such a stage of learning. Their emotional support has always been a ray of hope for me in the overburdened periods and I dedicate my thesis to my parents.

Khalid Hussain
