ACKNOWLEDGEMENT

“Knowledge is inherent in man; no knowledge comes from outside, it is all inside. We say Newton discovered gravitation. Was it sitting anywhere in a corner waiting for him, it was in his own mind; the time came and he found it out”

Swami Vivekanand

Firstly, I would like to express my sincere gratitude to my supervisor Dr. Preeti Thakur, Associate Professor & Head, School of Physics & Materials Science, Shoolini University, Solan, H.P., for her, continuous support and motivation during my research work. Her immense knowledge helped me in all the time during research and writing of thesis.

Besides my advisor, I would like to thank to thank Dr. Atul Thakur, Professor, School of Physics & Materials Science, Shoolini University, Solan, H.P., for his insightful comments and encouragement.

Also, I would like to thank Science and Engineering Research Board, Department of Science and Technology (DST), Government of India, for the financial support vide Sanction no. SERB/F/7451/2013-14.

My sincere thanks are also due towards my PhD mates Sh. Shyam Singh Thakur, Dr. Ashish Saini, Sh. Pravendra Kumar, Dr. Abhilash Pathania, Mr. Bikram Singh, Dr. Kush Rana, Mr. Saroop Chand and Ms. Shipi Kanwar at Shoolini University, for their continuous support. I am also thankful to my friends Mr. Ravinder Kumar, Ms. Deepika Jamwal, Ms Dolly Rana and Mr. Bipen Singh for helping me throughout my research work and sharing splendid moments during the period. I am also thankful to our lab technician Mr. M.L Sharma and lab attendants Mrs. Kiran Beck and Mr. Sanju for maintaining instruments and laboratory whenever needed.

Last but not the least I would like to oblige my sincere thanks to my mother and father Smt. Sulochana Sharma and Sh. Prem Nath Sharma for their blessing hands over my head always. Special thanks to my beloved elder sister Pooja and younger brother Priyank for supporting me spiritually always.
Above all, from whole hearted I am thankful to almighty who gave me courage, strength, patience and peace throughout this journey and my life in general.

Parul Sharma
