ACKNOWLEDGEMENTS

It is indeed a great pleasure to express my deep sense of gratitude and indebtedness to my supervisor Dr. A.S.N. Chakravarthy, for his keen interest, critical, constructive and skilful guidance and constant encouragement throughout the course and successful completion of my research work.

I would like to give my cordial thanks to my Co-supervisor Dr. A.S.C.S. Sastry for providing me with the chance to start my scientific career by offering me a Ph.D. position. It has been an excellent opportunity and experience, and allowed my dream to come true.

Since the beginning of my study, Dr. L. Pratap Reddy has kindly spent much time consulting with me regarding the problems of my research. I thank him for his inspiration and encouragement in completing this research.

Words are short for expressing my deepest sense of gratitude to Dr. K. Bhanu Prasad, Principal, Sasi Institute of Technology and Engineering for his encouragement and valuable suggestions in completing this research work.

I take this opportunity to express my sincere thanks to Dr. Krishna Chaitanya Nunna, Associate Professor, SITE. Progressive steps I have made include a great contribution from him. His help and comments on my thesis drafts have been invaluable. Without his help, I would not have finished this onerous task i.e., thesis.

I owe my gratitude to Dr. R.B. Choudary, Professor of Mechanical Engineering Department who had shown great care in correcting the language and vocabulary part of the thesis.

I express my sincere thanks to Dr. Dakshina Murthy Potukuchi, Head & Professor of Physics, Jawaharlal Nehru
Technological University, College of Engineering, Kakinada for his skilful guidance. He helped me a lot even in his busy schedule. I am grateful to my colleague Mr. A.V. Srinivasa Rao, Department of Electrical & Electronics Engineering, and I am also grateful to my colleagues in Electronics and Communication Engineering Department, Sasi Institute of Technology & Engineer, for their support and encouragement.

I wish to extend my thanks to Mr. B. Gopala Krishna, Chairman, Mr. B. Ravikumar, Vice-Chairman and staff, Sasi Institute of Technology and Engineering, Tadepalligudem, who supported me throughout to complete this work successfully.
