ACKNOWLEDGEMENT

The author has great pleasure to express his sincere gratitude to all people who have contributed to his learning through their support, encouragement and guidance.

The author is greatly indebted to his guide Dr. E Sulaiman, Associate Professor, School of Management and Business Studies, for his ever-willing help and assistance throughout this work. He recall with a lot of thanks the pain and strain his guide has taken in helping him to complete the study.

The author would like to state his deep sense of gratefulness to Prof Dr. K. Sreeranganadhan, honourable Director, School of Management and Business Studies, for his endorsement during the course of this dissertation work.

The author remember with great contentment Dr. Jeevanand, Prof. Dr. J Rajan, Prof. Dr. Anandakkuttan B. Unnithan, Dr. Tomy Mathew, Prof. Dr Sebastian George, Prof Dr S Kevin, Prof Dr Sebastian Rupert Mampilly, Dr. Jikcey Issac and Dr. Stephy Thomas for their genuine help and cooperation with the work by providing statistical assistance and information/data for the study.

The author reveals thanks the staff of various libraries- IIM-A, IIM-K, GuruJambeswar University, Andhra University, CUSAT, CDS, CMIE etc for backing up to capture more and more knowledge about the topic of study.

The author with respect and love bear in mind his parents, family members and each and every respondent who gave the most valuable data highly required for the dissertation.

The author bows his head before the god for making him able to do this dissertation honestly in time.

Basil John Thomas
