“The colonizer is the bringer of violence into the home and into the native” (Fanon, *The Wretched of the Earth* 29).

“Violence in the colonies does not have for its aim the keeping of these enslaved men at arm’s length; it seeks to dehumanize them. Everything will be done to wipe out their traditions, to substitute our language for theirs and to destroy their culture without giving them ours.” (Fanon, *The Wretched of the Earth* 13)
