Subject: Request to get permission of doing Ph.D. work in your school

Respected sir,

I am a student of Ph.D. Course in the Department of Education in Swami Ramanand Teerth Marathwada University, Nanded. The subject of my research is 'The Development of Programmes to Improve English Writing Skill of Marathi Medium Students of Standard Fifth'.

I request you to permit me to collect information about the errors committed by the students of 5th standard and conduct pre-test, experiment and post-test for my research work in your school.

I assure you that the data collected will be kept confidential and used for the purpose of the research only.

Thanking you,

Yours faithfully,

Kshirsagar S. V.
