ACKNOWLEDGEMENT

I would like to express my sincere gratitude to my beloved Supervisor and Convenor Dr (Mrs.) A. Lakshmi Prabha, Associate Professor, Dept. of Plant Science, Bharathidasan University, Tiruchirappalli, Tamil Nadu for her valuable guidance, continuous support, motivation, enthusiasm, untiring help and timely suggestions throughout my Ph.D study period which made my task easy and left an indelible mark on this research work.

I humbly express my ineffable sense of gratitude and heartfelt thanks to my Co-Supervisor Dr P. Ananda Kumar, Principal Scientist, National Research Centre on Plant Biotechnology (NRCPB), LBS Building, Pusa Campus, New Delhi (on deputation as a Director to Institute of Biotechnology, Acharya N. G. Ranga Agricultural University, Hyderabad) who has given me the opportunity to carry out the research work in NRCPB. I feel highly elated in expressing my deep sense of gratitude for his eminent and adroit guidance with sustained interest, learned counsel, incessant and steadfast inspiration, scintillating suggestions, benevolent and noble ideas, inestimable patience, cordiality and constant encouragement and manifold help bestowed throughout the progress of my research work, without his consistent and illuminating instruction, I could not reach its present form in my research carrier.

I am pleased to place my profound etiquette to my Ph.D Doctoral Committee members Prof. N. Jayabalan, UGC-BSR Faculty Fellow, Dept. of Plant Science and Dr (Mrs.) M. Vasanthy, Assistant Professor, Dept. of Environmental Biotechnology, Bharathidasan University, Tiruchirappalli, Tamil Nadu for their encouragement, insightful, cooperation and valuable comments and suggestions during my Ph.D study.

I humbly express my ineffable sense of gratitude and heartfelt thanks to the Dr V. Siva Reddy, Group Leader-Plant Biology: Plant Transformation, International Centre for Genetic Engineering and Biotechnology (ICGEB), New Delhi and Prof. I. S. Katageri, Principal Scientist (Cotton), Agriculture Research Station, University of Agricultural Sciences, Dharwad Farm, Dharwad, Karnataka for their inspiring guidance and sustained interest shown during my study period.

I extend my sincere gratitude to Dr M. B. Viswanathan, Professor & Head, Prof. M. V. Rao, Honorary Professor, Prof. B. D. Ranjitha Kumari, Dr M. Sathiyabama, Assistant Professor, Dr S. R. Sivakumar, Assistant
Professor from Dept. of Plant Science for providing all facilities, valuable suggestions, persistent encouragement and support for my Ph.D programme.

I humbly acknowledge my hearty thanks to Dr T. R. Sharma, Project Director, Prof. Srinivasan, Prof. N. K. Singh, Dr S. R. Bhatt, and Dr T. Mohapatra from NRCPB for their constant encouragement and for providing facilities to carry out my research.

I wish to express my profound sense of gratitude and sincere thanks to Dr Debasis Pattanayak, Dr (Mrs.) Jasdeep C. Padaria, Dr (Mrs.) Rohini Sreevaths, Dr Amolkumar U. Solanke, Dr Ramcharan Bhattacharya, Dr Ajay Jain, Ms. Suman Bala, NRCPB and Dr (Mrs.) K. Annapurna, Div. of Microbiology, Dr (Mrs.) Umarao, Div. of Nematology, IARI, Dr Shelly Praveen and Mr. Vipin Kumar from Virology Group, Div. of Plant Pathology, IARI, DR Neha Jain, Research Associate, and other Scientists in NRCPB and IARI Divisions for their kind help, persistent encouragement and cooperation during my research.

I am extremely grateful to Prof. A. Ganapathi, UGC-BSR Faculty Fellow, Dr M. Manickavasagam from Dept. of Biotechnology and Genetic Engineering, Prof. G. Archunan, Head, Dept. of Animal Science, Dr S. Achiraman, Dept. of Environmental Biotechnology and Dr T. Senthilkumar, Industry University Collaboration Business Development Centre for their persistent encouragement and support.

I am immensely thankful to my lab seniors, Dr Vikrant Nain, B. Kiran Kumar, Dr (Mrs.) K. V. Padmalatha, Dr (Mrs.) C. Anuradha, Dr (Mrs.) Shabana Khan, Dr (Mrs.) Sushmita, Dr K. P. Raghavendra and my colleagues, Dr R. Lakshmi Kanth, Mr. Vivek Kumar Singh, Dr M. L. V. Phanindra, Mr. M. Kanakachari, Mr. S. Raghavendra Rao, Mr. Venkat Raman, Dr Israr Ahamed, Mr. Sushil Chhapekar, Mr. Ch. Ramakrishna, Mr. C. Pavan, Mr. Srinivasa Rao, Mr. Harikishore, Mr. Rajeev Kumar Singh, Mrs. Shruthi Yadav, Mrs. C. Liji, Ms. Sonam, Mrs. Dikshi Aggarwal, post graduate and training students in Bt lab and friends at various lab in NRCPB and IARI Divisions for their timely help and support.

My special word of thanks goes to my junior friends Mr. M. Ravikumar, Mr. Salil, Mr. S. Gothandapani, Mr. N. Prabhakaran, Mr. D. Rama Doss, Mr. G. Boopalakrishnan, Mr. Arul Prakash for their unlimited help and support throughout my research programme.
I would like to express my sincere thanks to Dr M. K. Reddy, Research Scientist, Dr Mrs. Leelavathi Sadhu, Staff Research Scientist, Dr Palakolanu Sudhakar Reddy, DST-Inspire Faculty Fellow, ICRISAT, Dr Amit Bhardwaj, PDF, ICGEB, Italy, Mr. Abhishek Dass, Mr. Saravanan Kumar, Mrs. R. Vijayalakshmi, Mr. Krishan Kumar, Ms. Ranjana Pathak, Mr. Deepak Patil, Research Scholars and Mr. Bhupendra Rawat, Research Technician, ICGEB, New Delhi for supporting and timely help during my research tenure in New Delhi.

I extend my sincere gratitude to Prof. K. Veluthambi, Emeritus Professor, Centre for Plant Molecular Biology, Madurai Kamaraj University, who has given me the opportunity to work as Project Fellow from September, 2005 to March, 2008 in his lab.

I would like to express my sincere thanks to MKU friends Dr V. Raghupathy, Dr M. Shanmuga Balaji, Dr M. Balasubramanian for their motivation, support and help for pursuing my PhD programme.

I would like to express my sincere thanks to Prof. D. Prabhakaran, Joint Controller, Prof. (Mrs.) S. Kalavathy, Prof. (Mrs.) Akkammal Joha, Prof. C. Sebastian Rajasekaran, Prof. F. Samuel Christopher, Prof. V. Anand Gideon, Dept. of Botany, Bishop Heber College, Tiruchirappalli-620 017 for their motivation and encouragement to do the post graduate and doctoral studies.

I have been very much fortunate in having obtained great help and enthusiasm from my lab seniors Mrs. R. Uma Maheswari, Mrs. S. Senthamil Selvi, Ms. B. Helen Mary Piramila and my junior friends Mr. P. Senthilkumar, Mr. Syed Moideen, Mr. R. Rajendran, Research Scholars, Dept. of Plant Science, Bharathidasan University, Tiruchirappalli.

I am very much thankful to Dr V. Nandagopalan, Associate Professor, Dept. of Botany, National College, Tiruchirappalli for his kind helpful and spend his valuable time for me to do the necessary modification, suggestion and final needfulness for the thesis.

I am very much thankful to Dr. K Vasanth, Assistant Professor, Dept. of Botany, Bharathiar University, Dr A. Raja, Guest Faculty, Department of Botany, Arignar Anna Government Arts College, Attur, Salem and Dr N. Ramesh, DST, Young Scientist, VIT University, Vellore for their encouragement and support.
I would convey my special thanks to non teaching staff Mr. M. Vijay Venkatesh, Mr K. Muthukumar, Mr. Maamundi and Mrs. Vijaya, Dept. of Plant Science, Bharathidasan University, Tiruchirappalli for the timely valuable help during my PhD study.

I take immense pleasure in thanking my BDU friends Mr. P. Gurusaravanan, Mr. S. Vinoth, Mr. S. Sivakumar, Mr. G. Siva, Mr. G. Prem Kumar, Mr. Vignesh, Mr. M. Prathap, Ms. Amutha from Dept. of Plant Science, Dr Natarajan, Dr V. Balasubramanian, Dept. of Microbiology, Mr. M. Subramanian, NFMC, and friends from various Departments for their constant help and support during my study.

On a personal note, I would like to thank my beloved father Mr. S. Gurusamy and mother Mrs. G. Swarnathal, wife Dr (Mrs.) C. Selvi, brother Mr. G. Senthil Nathan, my cousin family members Mr. Eswaramoorthy, Mrs. E. Lakshmi and Mr. E. Muthugopalakrishnan and my uncle family members Mr. S. Chellamuthu, Mrs. C. Saraswathy and Mr. C. Surya for their everlasting and abundant love, moral support, care and supreme sacrifice that helped me to accomplish this task.

I acknowledge Indian Council of Agricultural Research (ICAR)-National Agricultural Innovation Project (NAIP) and National Initiative on Climate Resilient Agriculture (NICRA) and Department of Biotechnology (DBT), New Delhi, INDIA for their financial support.

I am grateful to Mr. S. A. Shafiullah, ASP computers, Tiruchirappalli – 620 020, who rendered valuable service for completion of my thesis in a perfect way.

I convey my whole hearted thanks to many of my well wishers and friends.

Tiruchirappalli
December, 2014.

(G. DHANDAPANI)
