ACKNOWLEDGEMENT

I wish to express my profound gratitude to both my teachers & guide Professor (Mrs.) Lalitagauri Ray, Department of Food Technology & Biochemical Engineering, Jadavpur University, Kolkata, India and Professor Subhabrata Sengupta, Department of Biotechnology, Heritage Institute of Technology, Kolkata, India for introducing me into the field of research. Their valuable guidance, directions, intent supervision and constant encouragement throughout the tenure helped me executing this work. They have been the source of inspiration and render constant help which should be the seed of success.

I am also grateful to Department of Food Technology & Biochemical Engineering, Jadavpur University for providing me the facilities.

I will deeply appreciate the encouragement and support of my lab mates Dr. (Mrs.) Sanghamitra Dutta, Dr. Debopam Banerjee, Dr. Anamika Ghatak, Dr. Himadri Bairagi, Dr. (Mrs) Anindita Banerjee, Dr. (Mrs) Debashree Ghosh, Dr. Mousumi Basu, Dr. Jayashree Nath, Mr. Surajit Bag, Ms. Mukulika Bagchi, Ms. Priangi Chakraborty, Mrs. Arundhuti Das, Mr. Animesh Naskar and Dr. Md. Motiar. R. Khan (Research Scholars).

I would like to thank all the technical and administrative staffs of my department for their generous help.

I am also thankful to IFB Agro Ind. Ltd., DFPI&H, Govt. of West Bengal and University Grants Commission for providing the financial support to carry out the research work.

I wish to express my profound gratitude and special thanks to my wife Dr. Debashree Mukherjee for her constant encouragement and support.

Last but not least, I would like to express my deepest gratitude and indebtedness to all my family members, especially to my parents Mr. Mantu Mukherjee & Mrs. Dipa Mukherjee for their patience, encouragement and support for successful completion of my work.
