ACKNOWLEDGEMENT

I take this opportunity of conveying my deep debt of gratitude to my supervisor Dr. Uma Ghosh, Associate Professor in the Department of Food Technology and Biochemical Engineering, Jadavpur University without whose enduring love of labour, guidance and advice, the thesis could not have been completed.

I am to express my heartfelt thanks to Dr. Runu Chakraborty, Head of the Department and to all the faculty members of the Department of Food Technology and Biochemical Engineering, Jadavpur University, for their constant encouragement in the pursuit of my research work.

I owe a deep debt of gratitude to Dr. Rathindranath Baral, Senior Scientific Officer, Gr I, Department of Immunoregulation and Immunodiagonostics, Chittaranjan National Cancer Institute, Kolkata, for giving me access to his laboratory in connection with my research work.

I also acknowledge the kind cooperation received from Shri Subhasis Barik, Senior Research Fellow, Department of Immunoregulation and Immunodiagonostics, Chittaranjan National Cancer Institute, Kolkata.

I am thankful to all the members of the non-teaching staff of the Department of Food Technology and Biochemical Engineering, Jadavpur University for their help.

I am greatful to all my labmates viz. Ms. Saswati Gayen, Ms. Ranu Paul, Ms. Ipsita Banerjee, Ms. Modhuleena Mondal, Ms. Tapasi Polley, Ms. Krita Ganguly, Ms. Priyanka Ghosh, Ms. Atreyi Sarkar and Shri Soumik Banerjee, for their unstinted co-operation in carrying out my work on Ph. D. dissertation.

I am beholden to my parents, Dr. Ms Swati Das and Dr. Ananta Kumar Das for their affectionate blessings and valuable advice in the pursuit of my research work.
I take this opportunity to express my deep sense of gratitude to my mother-in-law Smt. Malina Sharmadhikari and to my uncle-in-law Shri Rajib Kanti Sharmadhikari without whose blessings and support I could not have completed this thesis work.

Last but not the least; I must thank my husband Shri Koushik Sharmadhikari for painstakingly sharing with me the odds and difficulties that have crept in during the entire tenure of my research work.
