ACKNOWLEDGMENTS

The candidate takes this opportunity to offer his sincere thanks and gratitude to Dr. S. K. Mukherjee, Professor of Chemistry, University of Kalyani for his valuable suggestions and continued interest in the progress of the work. The candidate also finds much pleasure in offering his thanks to Dr. P. C. Dutta, Professor of Organic Chemistry, I.A.C.S., and to Dr. S. Aditya, Reader, Applied Chemistry Dept., Calcutta University and to Dr. (Miss) K. K. Rohatgi, Reader, Physical Chemistry Dept., Jadavpur University for their kind interest and encouragement.

The candidate remains indebted to the Authorities of I.A.C.S. for granting him a Scholarship in the Department of Macromolecules, enabling him thereby to prosecute the work.
