ACKNOWLEDGEMENT

With a deep sense of gratitude, I acknowledge my indebtedness to my supervisor, Dr. R.C. Dimri, Department of Mathematics, H.N.B. Garhwal University, Srinagar (Garhwal) U.A. for his meticulous and scintillating guidance. It has been a pleasure and privilege to work under his esteemed supervision. He has been a constant source of inspiration and encouragement throughout the presentation of this work.

I am very much grateful to Prof. K.N. Joshi, Head, Department of Mathematics, H.N.B. Garhwal University, Srinagar (Garhwal) U.A. for their constant inspiration, intrinsic co-operation and good wishes.

I am thankful to Prof. S.L. Singh (former head), Deptt. of Maths, Gurukul Kangri Vishwavidyalaya, Haridwar, Prof. B.D. Pant, Govt. P.G. College Kashipur, U.S. Nagar, Prof. R.P. Pant, D.S.B. Campus, Deptt. of Maths, Kumaon University, Nainital, Dr. U.C. Gairola, Pauri Campus, Deptt. of Maths, H.N.B.G.U. Srinagar, U.A. for providing me their reprints / preprints and rendered their help and suggestions whenever needed.

I am especially thankful to Prof. D.S. Negi, Prof. P.S. Thapliyal (former head), Prof. S.R. Ansari, Dr. M. S. Rawat, Department of Mathematics, H.N.B. Garhwal University, Srinagar (Garhwal), U.A., Prof. H.S. Dhami, S.S.J. K.U.C. Almora, Deptt. of Maths, Kumaon University, Nainital for their constant inspiration, co-operation and encouragement throughout the period of my research in the B.C.C. Campus Srinagar, H.N.B. Garhwal University Srinagar, U.A.

I feel indebted to Prof. Arun Mishra, Director, Deptt. of Non-Formal and Extension Education, H.N.B. Garhwal University, Srinagar
(Garhwal), Mrs. Susham Gupta, Assistant Librarian, I.I.T. Roorkee, Mr. M.P. Mishra, library employee, Gurukul Kangri University, Haridwar, Mr. Pawan Bisht, Central Library, H.N.B.G.U. Srinagar (Garhwal) to whom I owe more than I can speak and express.

My special thanks are also due to Dr. R.C. Dimri’s family member for their courteous dealings that made me to fill homely during my discussion with Dr. R.C. Dimri at his residence.

Words can not express my indebtedness to my father Capt. J.S. Gariya (retired), mother Smt. Sateshwari Devi Gariya, brother R.S. Gariya and D.S. Gariya, cousin Colonel H.S. Kotari, Indian Army, sister Dr. N. Gariya & Smt. M. Rawat and my wife Smt. Gariya, whose forbearance, emotional support and constant inspiration helped this thesis a successful pursuit.

I also express my gratitude to all great mathematicians, who provided me their reprints / preprints and rendered their help and suggestions whenever needed.

On the completion of this holy work, I also remember to those who has gone from this world by any cause before their appropriate age. God give a deep peace for their soul.

My special thanks to my colleague Mr. Amit Singh, resident of Jammu & Kashmir for the computer type setting of the manuscript in such a short time to the best of his capabilities and intrinsic co-operation with good wishes throughout the period of my research work.

Dated :June 02, 2007

(Narendra Singh Gariya)
