I had been fortunate to be associated with many people who had shaped my thinking and sharpened my logical understanding. From the classrooms to the research lab, it has been a long journey and each step has been taken with the encouragement of my teachers. They have kindled in me the desire to learn and the courage to pursue my dreams. A mere ‘thank you’ cannot express my gratitude to them for having stood by me all these years. Starting from Thresiamma teacher of Govt. New U. P. School, Punnaveli, who told me to apply for Navodaya exam to VIth standard and which I believe was the first step to success in my life. The teachers in Jawahar Navodaya Vidyalaya, Kottayam, supported very well for a change over. I also thank my teachers in St. Berchmans college, Changanacherry where I studied my B.Sc. Chemistry and
