Acknowledgement

Research is a never ending process involving a team of persons striving to attain newer horizons in the field of science. This study would not have been completed without the encouragement and co-operation of my teachers, parents, friends, well-wishers and relatives. I take this opportunity to express my deep gratitude to one and all.

The completion of this thesis and the accompanying degree would not been possible without the support of many people. First and foremost, I would like to express my cordial thanks, gratitude and affectionate regards to my respected guide Dr. M. P. Sadashiva, Assistant Professor, whose expert generous guidance and fatherly touch spur me on to the greater efforts. His open handedness and everlastng supportive nature helped me to build up an optimistic attitude towards my research work and my life.

I debt my sincere gratitude to Prof. K. S. Rangappa, Vice-chancellor, University of Mysore, Mysuru for providing infrastructure and his enthusiastic spirituality.

I express my profound sense of gratitude and thanks to Prof. S. Anand, Chairman, DOS in chemistry, Prof. H. S. Vyathirajan, Chairman, BOS in chemistry and the members of my Ph.D. doctoral committee, Prof. Y. B. Basavaraju and Prof. S. Shashikanth for their helpful career advice and suggestions in general.

I extend my sincere thanks to Prof. D. Channe Gowda, Pennstate university, Hershey, USA, Dr. M. Y. Sreenivasa, Asst. Professor, Department of Microbiology, University of Mysore, Mysuru and Dr. J. Shankar, for their support to screen the molecule for biology. A special thanks to Prof. D. Channe Gowda, for his kind support.

I owe my sincere thanks to the faculties of Department of Studies in Chemistry Prof. K. M. Lokanath Rai, Prof. Nagaraja Naik, Prof. G. Nagendraappa, Prof. H. D. Revannasiddappa, Dr. K. N. Mohana, Associate Professor, Dr. K. Mantelingu, Asst. Professor, Dr. B. S. Priya, Asst. Professor for their encouragement and kind support.

I am thankful to all the non-teaching staff of the Department of Studies in Chemistry Manasagangotri, University of Mysore for their kind support and cooperation.

I am tempted to thank individually all of my friends, who are with me from my childhood until graduate school and joined me in the discovery of what is life about and how to make the best of it. Nevertheless, few of them are Dr. Nagabhushan, Mr. A. R. Paulas,
Dr. T. R. Swaroop, Dr. C. B. Pradeep Kumar, Dr. K. S. Rakesh, Mr. H. R. Puneeth, Dr. V. Sharath, Mr. K. N. Manohar, Mr. S. P. Sathisa, Mr. M. B. Manju, Dr. Y. P. Naveen and so on.

I express my profound sense of gratitude and thanks to all my teachers at various stages. Especially, Prof. Kempegowda, Prof. M. Venkata Reddy, Prof. N. Jayaramu, Prof. M. V. Nagaraju, Prof. Mayigowda, and so on.

I would like to thank my research colleagues at Department of Studies in Chemistry, Manasagangotri, University of Mysore, Mr. K. S. Vinay Kumar, Mr. C. S. Pradeepa Kumara, Mr. A. C. Vinayak, Mr. Y. K. Bomme Gowda, Mr. G. Byre Gowda, Dr. Devraj Reddy, Mr. N. Rajeev, Mr. S. M. Anil, Dr. Chandra, Mr. Poornachandra, Mr. Balaji and all other research colleagues, who have helped me a lot during research work.

I gratefully acknowledge the most willing help and co-operation by my colleagues at Govt. P. U. College, Akkihebbalu and Department of Pre-University Education, Bengaluru.

I gratefully acknowledge Institute of Excellence, University of Mysore for providing facilities for spectral studies. I also thankful to University Grant Commission for providing the financial support through Major Research Project (Grant F. No. 37-456/2009[SJR]).

I express my grateful acknowledgment to Department of Studies in Chemistry, University of Mysore for providing me an excellent laboratory facilities and kind furtherance for accomplishing this work.

I express my heartfelt emotions for my family members, Sri. Shivalingaiah, Smt. Sharadamma and Mr. G. S. Divakar for their good wishes.

I express my sense of gratitude to one and all who directly or indirectly have lent their helping hand in this venture.
