

ACKNOWLEDGEMENTS

It is great pleasure to acknowledge my indebted to Prof. Nilima Bhagabati (Retired), Department of Education, Gauhati University, Guwahati-14, under whose expert and scholarly guidance the present research work is completed. It is her sincerity, able guidance and continuous encouragement which helped me to completed the work as per schedule. I am happy to express my heartfelt thanks to her.

I am also thankful to Professor Jagat Swargiary, head of the department, Professor Gayatree Goswami, Professor Kaberi Saha, Dr. Dulumoni Goswami and others members of non-teaching staff of the department of Education, Gauhati University, who helped me in various ways in carrying out the study.

I am grateful to Dr. Hare Krishna Deva Sharma, former principal of Morigaon College for providing whole hearted cooperation to my research study.

I also extend my thanks to Karbi-Anglong Autonomous Council (KAAC), Head masters, Teachers, Students of the selected secondary schools and Board of Secondary Education, Assam (SEBA) for providing facilities in data collection during study.

I wish to express my appreciation to many authors whose works have been consulted and often quoted in this research work.

I am thankful to my family members, colleagues in teaching and Non-Teaching staff of Morigaon College for their encouragement and cooperation in the completion of this study.
