Acknowledgement

I express my sincere gratitude to my supervising teachers Dr. Kuruvilla Joseph, Reader Research & Post Graduate Department of Chemistry, St. Berchmans College, Changanacherry and Prof. Dr. Sabu Thomas, School of Chemical Sciences, Mahatma Gandhi University for their valuable guidance, motivation and encouragement during the entire period of my doctoral programme. It has been a great pleasure for me to work under their supervision.

I am highly indebted to Prof. Dr. H.J. Radusch and his research group, Institute of Materials Technology, Martin Luther University, Merseburg, Germany, for their valuable suggestions, support and encouragement during my stay in Germany under DST/DAAD research programme.

Prof. Dr. Seidler Sabine and her group at Institute of Material Science and Technology, Technical University of Wien, Austria helped me a lot during my stay in Austria. I extend my heartfelt thanks to them too.

Help and encouragement received from Rev. Fr. Tom Kunnumpuram (Retd. Principal, S.B.College) and Dr. Stephen Mathews (Principal S.B.College), teaching and non teaching staff of Dept of Chemistry, S.B. College were indeed great. I owe much to all of them.

Thanks to Prof. Dr. M. Padmanabhan, Dean of science and Prof. Dr. P.K. Radhakrishnan, Director, SCS and all the teaching and non-teaching staff at School of Chemical Sciences, Mahatma Gandhi University
for the help and encouragement during my research. I am also thankful to the staff of library, Mahatma Gandhi University and Chemical Sciences.

I express my earnest thanks to Dr. Soney, Dr. Sreekala, Dr. Siby, Dr. Thomas Koch, Prof. Dr. Archodoulaki Vasiliki-Maria, Dr. Le, Dr. Segrid Dr. Petar and Dr. Frangov for their valuable suggestions.

I remember with gratitude the help, caring, support, fruitful suggestions and constant encouragement provided by my long time friends and colleagues from School of Chemical Sciences.

I am also thankful to DST New Delhi for providing the fellowship for the project period, selecting for the DST/DAAD exchange programme and Mahatma Gandhi University for providing senior research fellowship.

Finally I bow my head with deep sense of gratitude before my beloved parents whose prayers, affection, encouragement, inspiration, patience and support that paved the way towards the successful completion of this research work. I also acknowledge the unconditional love, care, affection, motivation, encouragement and support of my wife Smitha and my brother Bobin which always energised me during the whole research period.
