ACKNOWLEDGEMENTS

This research project has taught me many lessons. I learned that research is not a one man show but a team effort. Without the help and participation of many this research would have remained a mere dream. I take this opportunity to thank and acknowledge all those who have contributed to this work.

At the outset, I bow my head in prayers and immense gratitude before GOD Almighty, the inner motivator and the driving force, who consoled, inspired and stood with me in all difficult times to complete my work

The most significant influence of this research work is none other than my supervising teacher, Dr. Baby, M. D. Reader and Director, Research and Post Graduate Department of Commerce, St. Dominic’s College, Kanjirappally. Without his scholarly guidance, mentoring and patience this study would not have been completed. He has been a continuous source of inspiration and positive energy throughout my research work and I earnestly thank him for what he has been to me. I will be failing in my duty if I am not acknowledging the silent but significant contribution of my teacher at St. Dominic’s College, Kanjirappally, Mrs. Alicekutty Dominic, through her caring and motherly enquiries about the progress of the work.

I am indebted to H.E. Mathew Arackal, the patron and H.E. Mathew, Vattakkuzhy, the founder patron of Marian college, Kuttikkanam for giving me an opportunity to serve the college and for encouraging me to do research.
