ACKNOWLEDGEMENTS

The study will not be complete without acknowledging my sincere gratitude to all persons who have helped me in the preparation of this dissertation.

I owe a deep sense of gratitude to Dr. Baby, M.D, Reader, St. Dominic's College, Kanjirappally who moulded me for the research and guided me throughout the course of my research work and also went through several drafts of the thesis. Without his help and encouragement, it would have been extremely difficult for me to accomplish this research work.

I am extremely grateful to Dr. T.M. Jacob, Lecturer Selection Grade, Department of Statistics, Nirmala College, Moovattupuzha, who had helped me whole-heartedly in the various aspects of statistical and analytical portions of this investigation. My thanks are also due to Mr. K.G. Kerala Varma, for correcting and editing this manuscript in the proper form.

I am indebted to Dr. Ancykutty Joseph, Principal, Prof. P. T. Jose and Prof Augustin Thomas, former principals, St. Dominic's College, Kanjirappally, for their invaluable help. I would specially like to express my thanks to Dr. C.A Thomas (Head of the Department), Prof. James K.Geroge (Former Head of the Departemnt) and all other members of the Department of Commerce, St. Dominic's College, Kanjirappally for their invaluable help and constant encouragement throughout the pursuit of this study.

I have great pleasure in acknowledging Dr. S. Kevin, former Pro-Vice-chancellor of Kerala University, Dr. N. Sattainathan, Professor and Former Head of the Department of Commerce, Madurai Kamaraj University for generous help and encouragement.

I wish to place on record my thanks and sincere gratitude to my intimate friend Prof. G. Jagadeesh Chandran, Selection Grade Lecturer, Department of Commerce, S.V.R.N.S.S College Vazhoor for his invaluable help and suggestions at every stage of this project work.
I thank the Librarians of the Libraries of the State Planning Board, Centre for Development studies, Kerala Legislative Assembly, Mahatma Gandhi University, Calicut University, Cochin University, Mysore University, Madurai Kamaraj University, Kerala University (General and Department of Commerce), D.B Pampa College Parumala, S.B.College Changanacherry, and St. Dominic's College Kanjirappally for providing facilities of references.

I sincerely express my gratitude to Dr. R. Jayakumar, SVR NSS College, Vazhoor. Dr. B. Gopakumar. N.S.S College, Pandalam, and Dr. James Devasia, S.B College, Changanacherry and Dr. Harikumar P.N, K.G College Pampady for their generous help and encouragement.

I am indebted to Shri. A. Devakinandhanan, O.K Moidu, Mr. R. Rajagopal, Mr. K.J Thomas, Mr. Mohandas and Mr. K.R Viswambharan, Managing Directors of, The Kerala Ceramics Ltd, The Metal Industries Limited, Kerala State Drugs & Pharmaceuticals Ltd, The Travancore Sugars & Chemicals, Traco Cables and Transformers and Electricals Kerala Ltd respectively for their valuable help. I also thank all the managers of the above units. My thanks are also due to the employees of all the above units who spared their valuable time to cooperate with the lengthy and taxing interview.

I am grateful to Dr. K. Mohanan Pillai, Principal, D.B Pampa College, Parumala, and my colleagues in the Department, for their good-will and encouragement.

I owe an incalculable debt to Travancore Devaswom Board Management for having given me the permission to take up this research work.

Words cannot express my gratitude to my wife Sreelatha.S and my son Vishnu H.Lal and all members of my family for the support and encouragement I have received from them.

Above all, I thank God the Almighty, who enabled me to materialise a long cherished dream in the form of this thesis.

B. Harilal
