Acknowledgement

I sincerely thank each and everyone who helped me in completing this thesis work, without whose help it might have been difficult for me to accomplish it to my satisfaction. I express my heartfelt gratitude to my supervising teachers Dr. Kuruvilla Joseph, Professor of Chemistry, Indian Institute of Space Science and Technology, Thiruvananthapuram and Dr. Sabu Thomas, Professor of Polymer Science and Technology, School of Chemical Sciences, Mahatma Gandhi University, Kottayam for their invaluable guidance, motivation and encouragement during the entire course of my research work. It has been a great pleasure for me to work under their supervision. I am indebted to them for the helpful discussions and valuable advice during the entire course of this work.

I am extremely thankful to Rev. Dr. Joseph Naduvilezham (Manager, St. Berchmans College, Changanassery), Rev. Fr. Jos P. Kottaram (former Manager), Rev. Fr. Tomy Padinjareveettil (Principal, St. Berchmans College, Changanassery), Dr. Stephen Mathews, Rev. Fr. Tom Kunnumpuram (former Principals), for their encouragement and support. I am also thankful to the teaching and non-teaching staff of S.B. College for their valuable support.

I extend my sincere thanks to the Directors of School of Chemical Sciences, Mahatma Gandhi University, Common Facility Service Centre, Changanassery and Dr. Mikael Skrifvars, University of Boras, Sweden for extending all the necessary facilities, which enabled me to complete this research work successfully.

I express my sincere thanks to Dr. C. C. Thomas, Dr. K. C. George, Mr. Tomlal Jose E, Mr. Renjith Thomas and Mr. Shaji Joseph for their creative suggestions and keen interest on the progress of the work.
I take this opportunity to thank Dr. Seno Jose, Dr. Siby Varghese, Dr. Indose Aravind, Dr. Aju Joseph, Dr. Ranimol Stephen, Dr. Sreekumar, Dr. Soney C. George, Dr. Jesmy Jose and Dr. Sherly Annie Paul for their suggestions, invaluable support, help and encouragement at each and every stage of my research work.

I gratefully acknowledge Dr. Selvin Thomas P, Dr. Bejoy Francis and Dr. Abi Santhosh Aprem for their invaluable suggestions and comments during thesis preparation. The lively and timely discussions with them inspired me very much and also sharpened my views in my research area.

I do remember with gratitude Dr. T. Muraleedharan Nair, Mr. Ramakanth and Mr. Harikuttan of CFSC, Changanassery, Kottayam for their help in mechanical property measurements at the laboratory attached to CFSC.

I am grateful to Mrs. Meera A. P, Mr. Jyothish Kumar, Mr. Jacob John, Ms. Sherry Sebastian and Mr. Gejo George for their suggestions and discussions during the entire course of my work. I take this opportunity to thank each and everyone working in the S. B. College Research Lab and at School of Chemical Sciences, Mahatma Gandhi University whose names are too many to list here for their kind co-operation during the course of my work.

I do remember the support and encouragement provided to me by Dr. Cibi Komalan and Mrs. Viju Susan Mathew, my co-workers. They had always been good friends and without their help the way would have been much more difficult.

I would also like to extend my sincere thanks to Mrs. Anu Tresa Sunny and Mr. Ajesh Zacharias, the research scholars of our group for their wholehearted cooperation and support during XRD, SEM and AFM studies.
I am grateful to the Librarian and staff members of Mahatma Gandhi University Library and St. Berchmans College Library for their help during my research programme.

I am also thankful to Mrs. Sholly Paul, Mr. Shijo and all others at the School of Chemical Sciences for their support and encouragement during the Ph.D programme. I would like to put on record my sincere thanks to one and all who directly and indirectly extended their kind cooperation and support throughout my research work.

I gratefully acknowledge the services rendered by the Staff and Scholars of Indian Institute of Science, Bangalore, National Chemical Laboratory, Pune, Rubber Research Institute of India, Kottayam, Sophisticated Test and Instrumentation Centre, Cochin, HLL Life Care Limited, Thiruvananthapuram; CFSC, Changanassery for providing instrumental facilities of sample analysis.

Finally, I express my deep sense of gratitude to my beloved parents, my uncles Prof. T. A. Thankachan and the late Sri. Varghese T. Abraham whose prayers, affection, encouragement, inspiration and support smoothly paved my path towards the successful completion of this research work. My heartfelt thanks to my wife Vimala and my children Ebin, Mebin and other family members for their unconditional love, care, affection, motivation, encouragement and support which empowered me during the entire course of research work.

At this juncture, I humbly bow before Almighty God for showering His blessings on me and giving me the strength and wisdom to reach this milestone in my life.

Thomas P. C.
