ACKNOWLEDGEMENT

The author expresses his deep sense of gratitude to his research supervisor Dr. R. Malathy, Professor and Dean (R&D), Department of Civil Engineering, Sona College of Technology, Salem, for her invaluable guidance, moral support, advice and constant encouragement during all the phases of this research work.

The author also wishes to record his heartfelt thanks to Dr. G. S. Thirugnanam, Professor and Head, Department of Civil Engineering, Institute of Road Transport and Technology, Erode, and Dr. S. Kandasamy, Professor and Head, Department of Civil Engineering Alagappa Chettiar College of Engineering and Technology, Karaikudi, for their continued advice and guidance throughout the course of the research work as Members of the Doctoral Committee.

I am immensely grateful to all the Staff Members of K. S. Rangasamy College of Technology, Tiruchengode, for extending all the available facilities to carry out the research work.

The author wishes to thank his wife Mrs. S. JeyaBharathi and his daughter J. J. Sreenithi for their patience and support throughout the period of research work.

Finally, the author remains thankful to all those who helped either directly or indirectly in the successful completion of the research work.

D. JEGATHEESWARAN
